[*Vide* G. I., Army Dept., No. A. 33780—13 (A. G. 10), dated 18th February 1927, recd. from G. I., F. D., No. F. 321-IV-Ex. 26, dated 3rd March 1927 (G. I. 772).]

NOTE 2.—The pay of officers of the British Service, Royal Army and Royal Marines, other than retired officers of the British and Indian Services, appointed to the personal staff of Governors of Presidencies and Provinces, should be the pay sanctioned for the Indian Army Officer of the corresponding rank in Army Department letter No. A. 33780—13 (A. G. 10), dated 18th February 1927. Officers, other than Indian Army Officers, while on leave out of India (other than privilege leave) from these appointments will receive the rates admissible to British Army Officers under the Royal Warrant. Pay of retired officers of the British and Indian Services employed in personal staff appointments will be considered on the merits of the individual cases, and such cases should continue to be referred to the Secretary of State for India for decision as and when they arise.

[India Office No. M. 1373—1931, dated 10th April 1931, and G. I., Army Dept., No. B. 10729—3 (A. G. 10), dated 17th July 1931, recd. with G. I., F. D., Memo. No. F. 29—11-Ex. I-31, dated 29th July 1931, Dy. India 715/G. A. I-2237.]

The Government of India have decided that the orders contained above shall also be applied to officers of the Royal Indian Navy when appointed to the personal staff of Governors of Presidencies and Provinces.

[G. I., Army Dept., No. B. 33879—2 (A. G. 10), dated 29th August 1935, recd. with G. I., F. D., Memo. No. D. 3741-Ex. I-35, dated 20th August 1935, Dy. India 1084/G. A. I-2134.]

NOTE 3.—For the purposes of married allowances (including the married rates of lodging allowance) a married officer is one who not being a widower without a family or divorced without a family is married and is 30 years of age or over. In the case of an officer who is divorced or when divorces his wife, the issue of marriage allowance will cease and the lodging allowance will be reduced to the unmarried rate, from the date on which the decree *nisi* is made absolute.

An officer not having custody of the children of the marriage is regarded as divorced without a family for marriage allowance purposes even though he may remain financially responsible for the maintenance of the children.

An officer's family will be held to include the officer's wife, his unmarried daughters, step daughters or daughters adopted under the provisions of the Adoption of Children Act, 1926, dependant on him and residing with him or at school, and his sons, step sons or sons adopted under the provisions of the Adoption of Children Act, 1926, under 16 years of age. (It will not include children adopted under the Adoption of Children Act, 1926, by an unmarried officer or by a widower without daughter dependant on him or without sons under 16 years of age.) Cases where sons, step sons, or adopted sons over that age suffer from mental or bodily infirmity may be submitted for special consideration. The children of a divorced

officer will not be included unless the officer has been made their legal custodian, even though he may contributed to their maintenance.

[G. I., Army Dept., No. A. 33780—2 (A. G. 10), dated 10th September 1930, Dy. India 73/G. A. I-122.]

NOTE 4.—An officer below the rank of Major, if appointed to act as Commandant of a Governor's Bodyguard or if appointed to hold that post substantively, may draw the emoluments laid down for that appointment in the table, provided that the vacancy in which he is appointed to act, is not a vacancy arising out of any of the circumstances referred to in clauses (i) to (iv) of paragraph 13 of Army Instruction (India) No. 1-S. of 1925. Leave on average pay under Fundamental Rule 100 should be treated as privilege leave for the purpose of paragraph 13 of Army Instruction (India) No. 1-S. of 1925.

[G. I., Army Dept., No. A. 38780—17-A. G. 10 (A. D. 2), dated 18th January 1929, and Ar. Gl.'s No. 64-A. 144—31, dated 9th March 1932, Dy. India 2117/G. A. I-5227.]

NOTE 5.—Leave on average pay to the extent of 1/11th of the duty period granted to the personal staff of His Excellency the Governor subject to the ordinary leave rules in the Fundamental Rules or any corresponding rules, should be treated as "privilege leave" for the purpose of paragraph 13 of the Army Instruction (India) No. 1-S. of 1925, in the same way as leave on average pay under Fundamental Rule 100 has been held to be privilege leave under the decision communicated in the Auditor General's No. 64-A. 144—31, dated 9th March 1932.

(Ar. Gl.'s No. 23-A. 179—33, dated 27th January 1934, Dy. India 1868/G. A. I-3753.)

NOTE 6.—Leave on average pay up to 4 months admissible under Fundamental Rule 100 to military officers employed under Provincial Governments shall be treated as privilege leave for the purpose of Pay and Allowance Regulations for the Army in India, Part I—Special, paragraph 43. The successor to an officer of the British Service, who is so employed, is therefore eligible for the full pay of the appointment only with effect from the date of the expiry of the leave on average pay granted under Fundamental Rule 100 to his predecessor. During the currency of the average pay leave, the successor to the appointment should be restricted to the pay and allowance of his military rank or of the substantive appointment held by him.

[G. I., Army Dept., No. B. 24616—5 (A. G. 9), dated 12th October 1934, recd. with G. I., F. D., No. F. 2 (7)-R. I-34, dated 29th October 1934, Dy. India 1489/G. A. I-2938 and G. I., Army Dept., No. B. 24616 (A. G. 9), dated 1st November 1935, recd. with G. I., F. D., No. D. 4936-Ex. I-125, dated 9th November 1935, Dy. India 1534/G. A. I-2936, dated 11th November 1935.]

The decision in the foregoing note will also apply to Indian Army Officers who are employed in similar circumstances in appointments under Provincial Governments.

[*vide* G. I. (Defence Dept.) No. 24616—8 (A. G. 9), dated 2nd October 1936, copy recd. with the G. I., F. D., Endt. No. D. 4053-Ex. I-36, dated 28th October 1936, Dy. India 2335/Pen. 7074.]

NOTE 7.—The Government of India have held that the accepted principle referred to in their Army Department letter No. B. 24616 (A. G. 9), dated 12th October 1934, namely, that the leave on average pay up to 4 months admissible under Fundamental Rule 100 to Military Officers employed under Provincial Governments, shall be treated as privilege leave for the purpose of paragraph 43 of the Pay and Allowances Regulations, Part I—Special, applies equally to all officers of the British Service and the Indian Army, even though their pay is debitable to Civil estimates.

It is also the intention of the Government of India, Army Department, letter of 12th October 1934 that all the Military Officers officiating in the chain of vacancies caused by the grant of leave on average pay not exceeding 4 months to a Military Officer under Fundamental Rule 100 are subject to the restrictions applicable to

the drawing of officiating pay and allowances prescribed in paragraph 13 of Army Instruction (India) No. 1-S, of 1925 and in paragraph 43 of the Pay and Allowances Regulations, Part I—Special.

(Vide Ar. Gl.'s No. 153-A. 242—35, dated 25th March 1936, Dy. India 2495/G. A. I-5042.)

3. Officers appointed on or before the 19th October 1932 may continue to receive the rates of pay and allowance as laid down in the table in paragraph 2, if more favourable than those laid down in this paragraph which apply to officers appointed on or after 20th October 1932.

The Auditor General has decided that the status of the Secretary to the Provincial Legislative Council is as follows and the following rules should be observed in audit for the fixation of his salary:—

The Secretary being an official who is appointed by the order of the Governor and holds office during his pleasure, *vide* Rule 5 of the Rules of Business of Provincial Legislative Councils, he is not a Government Servant in the strict sense of the expression as is used in the Fundamental Rules.

As the Statutory Rule quoted above is silent as to the fixation of the salary and other privileges of this official, these matters would be governed by the Audit Resolution relating to Reserved Subjects and the financial rules of the local Government subject to the vote of the Council, except that if the case of a person appointed to this office falls under the provisions of sub-section (3) (iv) of section 72-D of the Government of India Act the salary of such official should be treated as non-voted.

It is open, however, to the local Government for facility of business to adopt any of the fundamental or supplementary rules, as the financial rules relating to these officials.

[Ar. Gl.'s No. 751-A. 230—22, dated 20th June 1923, Dy. Ad. G. 238.]

He will then draw increments in accordance with the time-scale as though his confirmation had not been delayed.

Provided that in no case shall an officer be entitled to draw higher pay than he would have drawn had he been confirmed immediately on the expiry of the prescribed period of probation.

81. The following instructions are issued by the Commissioner of Excise and Salt, Bengal, regarding the levy of overtime fees in Distilleries under paragraph 18 (2) of Appointment Department Notification No. 601-S. R., dated 30th March 1915:—

- (1) The holidays to be allowed in distilleries, exclusive of Sundays, are those notified under the Negotiable Instruments Act

and the Muharram holidays. Of these, Sundays, New Year's day, Good Friday, the King-Emperor's Birthday, Christmas day and the Bijoya Dashami day are to be treated as close holidays. Besides the above, the 10th day of Muharram will also be treated as a close holiday. On holidays other than the close holidays mentioned above, an officer in charge will be required to attend the distillery, for the conduct of urgent business for two hours at one call, if required to do so in writing by the distiller. As the distiller is entitled to only 2 hours' work from the officer on a non-close holiday, he can avail of that officer's further services in excess of that period on payment of an overtime fee. The verbal request of the distiller to the officer to work beyond two hours is tantamount to a further call, though the first call is required to be in writing, it is not contemplated that the request for further services in continuation of the first call should also be in writing. The officer is therefore entitled to the usual fee for his stay for the period in excess of two hours at the first call. No overtime fees will be allowed for any such attendance; but if a second call is made overtime fees may be charged. On close holidays the officer in charge will not be required to attend unless on the written requisition of the Distiller, and overtime fees may be claimed for such attendance.

- (2) No overtime fees can be claimed for any work done beyond the prescribed period of 8 hours on any working day.
- (3) A Distiller, when requiring the presence of a distillery officer on any holiday, should state exactly the work to be done and the approximate time that the work is likely to take and the hour on which the distillery officer is required to attend. A copy of the requisition made should be kept by the Distiller.
- (4) All claims for overtime work must be accompanied by a full statement of the work done and the time occupied, stating hours and minutes, and a copy of the requisition of the Distiller for attendance.
- (5) No claim for overtime work will be paid by the Distiller until it has been examined and passed by the Excise Deputy Collector.
- (6) When an Officer attends on requisition of the Distiller made in accordance with the above rules, the minimum charge, whatever may be the occupied shall be for one hour.
- (7) The fees to be charged will be as follows:— $\frac{1}{8}$ th of a day's pay, for each hour of overtime work done.
- (8) The fees thus realised, will be credited into the Treasury and brought into the Public accounts under the head "Miscellaneous—VIII—Provincial Excise" and paid in full to the officer by whose labour they are earned on bills drawn up in the form prescribed.

(9) Every endeavour should be made by the local officers to restrict overtime work in distilleries as much as possible.

(10) These instructions supersede all previous instructions on this subject.

(Circular order of the Commissioner of Excise and Salt, Bengal, No. 14-E./C. O., dated 4th March 1912 and the G. B., Forest and Excise Dept., letter No. 12720-Ex., dated 23rd June 1937, Dy. G. B. 4041/G. A. II-1295, dated 25th June 1937.)

(G. I., F. D., No. 4223-F., dated 26th July 1906, Dy. G. I. 213.)

SECTION VII.—BENGAL CIVIL SERVICE (JUDICIAL BRANCH).

108. In exercise of the power conferred by Rule 40 of the Civil Services (Classification, Control and Appeal) Rules, the Governor in Council is pleased to make the following rules to determine the cadre, including the number and character of posts of the Bengal Civil Service (Judicial):—

Rules.

1. The Bengal Civil Service (Judicial) shall consist of the posts shown in the Schedule.

2. Subordinate Judges holding temporary posts referred to in item (f) of the Schedule shall not be liable to revert as munsiffs during the Civil Court vacation if they hold the posts both immediately before and immediately after the vacation.

3. If any temporary posts not mentioned in the Schedule are created, the holders thereof shall revert during the Civil Court vacation.

SCHEDULE.

Permanent posts—

(a) Subordinate Judges	53
(b) Munsifs	210
(c) Reserve for deputation . . .	9
(d) Leave Reserve	17
(e) Probationers	23 (or 29 so long as a Munsif is employed in the High Court as Assistant Registrar).

Temporary posts—

(f) 5 Temporary posts of Subordinate Judges.

NOTE 1.—These temporary posts of Subordinate Judges will be retained until further orders, any or all of these being liable to reduction when found in excess of requirement, the juniormost holder or holders of the posts reverting as Munsifs. Subordinate Judges holding these posts will not be liable to revert during the civil court vacation, provided that they hold the posts both immediately before and immediately after the vacation. The 5 temporary posts of Subordinate Judges can be treated as practically permanent, provided no officers are confirmed against these posts and provided further that if any of these posts are at any time later regarded as definitely superfluous these superfluous posts are to be abolished. The cadre will thus consist of 294 officers in all excluding the probationers. It is open to the High Court to employ Subordinate Judges up to the limit of 58 (including the 5 temporary posts) or to vary the number of Subordinate Judges so long as Subordinate Judges together with the number of Munsifs employed at any one time, does not exceed the sanctioned strength of 294 (excluding the probationers) and so long as the abolition of any or all of the posts are not definitely decided upon. When for want of sufficient work one or more of the 5 posts of temporary Subordinate Judges are abolished they will be converted into a corresponding number of posts of Munsifs

which can be added to the number of posts of Munsifs in the cadre unless they are found to be superfluous in which case the posts or as many of them as are not necessary may be left vacant as vacancies occur or abolished altogether.

NOTE 2.—Deputation and leave reserve.—No separate deputation or leave reserve having been provided for the higher grade of the Bengal Civil Service (Judicial), viz., the grade of Subordinate Judges, vacancies on account of leave or deputation from that portion of the cadre may be filled up by Munsifs who should be reverted to the grade of Munsifs on the termination of the leave or deputation.

NOTE 3.—Probationers.—The recruitment of Munsifs to fill up vacancies in the cadre should be made annually. So long as a Munsif is employed in the High Court as Assistant Registrar, the number of probationers permissible is 29. No probationer should be confirmed unless he has passed the tests required by the training rules; but during the first two years after the adoption of the scheme, probationers employed to work as Munsifs may be exempted from the requirement of passing the test prior to confirmation.

Explanatory Note.—New entrants shall be treated as under probation for the prescribed period and subject to prescribed conditions.

(G. B., Judl. Dept., No. 9847-J., dated 5th December 1935, Dy. G. B. 11250/G. A. III-3510, dated 7th December 1935, filed in Bundle G. A. 6 of 1935-36.)

Those appointed before the introduction of the scheme would not come under the restriction of confirmation after 2 years' service. No probationer should be required ordinarily to work in any vacancy in the permanent cadre before completion of his training, but should the reserve provided for leave or deputation fail short at any time of the actual requirements, or should there be any abnormal increase in the work at any time, it will be open to the court to utilise the services of the seniormost probationers. Attempt should be made to avoid this as far as practicable.

NOTE 4.—Temporary Munsifs.—Ordinarily no posts of extra Munsifs need be created whenever a new temporary court is created as the extra court would have to be filled from the cadre either by appointment of probationer direct to the court or by some chain of arrangement some confirmed Munsif going to the extra court and his place being taken by a probationer—it is immaterial who actually sits in the extra court—with the sanction of Government, however, the creation of posts of temporary Munsifs for temporary courts would be permissible if and when it can be proved that the drawing upon the probationers to fill up such temporary posts would materially hamper the scheme of the training of probationers.

(G. B., Judl. Dept., No. 6463-J., dated 25th July 1935, and its enclosures, Dy. G. B. 4669/G. A. III-1659, filed in Bundle G. A. 6 of 1935-36.)

NOTE 5.—The revised cadre of the Bengal Civil Service (Judicial) includes the 2 Subordinate Judges and 9 Munsifs for Assam, one Court at Habiganj having been in abeyance since 1st September 1933.

(G. B., Judl. Dept., No. 7849-J., dated 10th September 1935, Dy. G. B. 6774/G. A. III-2295, dated 12th September 1935, Bundle G. A. 6 of 1935-36.)

Explanatory Note.—The sanctioned cadre of the service is 323 posts of which not less than 53 nor more than 58 are Subordinate Judges and the remainder Munsifs. This is the limit of the sub-classification of the cadre. The precise number of Munsifs who has not been confirmed, i.e., who are on probation, is of no practical importance except from the purely administrative point of view. The number of such offices may at any particular moment exceed or fall between twenty-nine, the number computed when estimating the total strength of the cadre.

(G. B., Judl. Dept., No. 9847-J., dated 5th December 1935, Dy. G. B. 11250/G. A. III-3510, dated 7th December 1935, filed in Bundle G. A. 6 of 1935-36.)

108-A. The rules regarding the training of probationary Munsifs are contained in Appendix 23.

Scale of Pay.

109. The time-scale of pay of Provincial Civil Service (Judicial Branch) as sanctioned from 1st December 1919, is as follows:—

(For revised scale of pay see paragraph 110 below.)

Outside the time-scale there are two selection grades for Sub-Judge containing posts equal together to three per cent. of the total cadre, viz., five on Rs. 1,000 and four on Rs. 1,200 a month.

Promotion to these grades will be made by strict selection only.

110. The following scale of pay has been introduced, with effect from 1st April 1934, under the Bengal Civil Services (Revision of pay) Rules, 1934:—

Bengal Civil Service (Judicial).

111. For the rules, etc., regulating the appointment of persons who are not members of the Indian Civil Service to posts reserved for that service, please see paragraph 38-A of Part I.

Pay of Officers holding listed Posts of District and Sessions Judges.

112. For the pay of the Provincial Civil Service Officers holding substantively or officiating in the listed posts of District and Sessions Judges, see paragraph 45 under Bengal Provincial Civil Service (Executive Branch).

The position of Provincial Judicial Officers on the time-scale should be fixed with reference to the total period of service whether officiating or substantive which has actually been rendered. In accordance with the above principle the Munsif who has been appointed to officiate as Sub-Judge in his 21st year of service would be entitled to draw pay at Rs. 800 a month, viz., the pay of his 21st year of service and not the minimum pay of a Sub-Judge.

(B. G., Judl. Dept., No. 2597-J., dated 2nd April 1922, Dy. G. B. 586 and also Dy. G. B. 1580, dated 17th May 1927.)

Pay of officers during the Civil Court vacation.

112-A. All the officers now borne on the reorganised cadre of the Bengal Civil Service (Judicial) are entitled to pay for the period of the Civil Court vacation according to the scale of pay admissible to them. The old system of discharging some of the officiating Munsifs at the commencement of the vacation has ceased to operate with the introduction of the revised cadre.

(High Court's No. 19543-A., dated 3rd October 1935, Dy. Calcutta 16737/ G. A. III-2651, dated 18th October 1935, in Bundle No. G. A. 6 of 1935-36.)

Date of Birth of officers of Sub-Judicial Service.

113. The date of birth of the officers of the Subordinate Judicial Service, communicated to this office by the High Court, should be accepted in all cases, as final.

(B. G. No. 2158-A. D., dated 18th July 1902, Dy. G. B. 1870.)

114. The age of recruitment or appointment of a Munsif for the purpose of Subsidiary Rule 7 to the Fundamental Rules is the age on the date of his first officiating appointment as such under Article 7 of the Bengal, Agra and Assam Civil Courts Act, 1887, irrespective of whether the appointment is temporary or continuous.

(G. B., Judl. Dept., No. 4328-J., dated 28th May 1932, Dy. No. G. B. 2176/G. A. III-871, dated 30th May 1932.)

Grant of leave to Munsifs.

115. The authority to grant leave to Munsifs is exercised by the High Court with the concurrence and assent of the local Government. (Letter No. 3127-A., dated 28th March 1923, from Registrar, High Court, Dy. P. R. C. 80.)

116. When permission to prefix or affix holidays, Sundays or the Civil Court vacation to the leave of an officer of the Bengal Civil Service (Judicial) is granted by the High Court, the Court invariably take into consideration whether the conditions prescribed in Subsidiary Rules 206 to 208 or Article 220, Civil Service Regulations, are fulfilled. If there is any possibility of these conditions being unfulfilled in any case, such permission is not granted. No reference need be made to the Court on the subject and it may be held that the conditions have been or will be fulfilled unless anything contrary is stated in the High Court's letter. (G. B., Judl. Dept., No. 5518-J., dated 27th June 1934, Dy. G. B. 3676/G. A. III-1095, dated 29th June 1934.)

Officiating appointments and deputation of Munsifs.

117. A District Judge, on the occurrence within his district of any vacancy in the office of Munsif, may, pending the action of the High Court, appoint such person as he thinks fit to act in such office (*Act XII of 1887, Section 12*).

118. Government are of opinion that the officiating services of Munsifs appointed under section 12 (1) of the Bengal and Assam Civil Courts Act (XII of 1887), should not count for increment in the time-scale of pay for the Bengal Civil Service (Judicial).

(G. B., Judl. Dept., No. 8722-J., dated 14th December 1931, Dy. G. B. 8873/G. A. III-3975, dated 18th December 1931.)

Pay of officiating Munsifs on confirmation.

119. The principle accepted by Government in the matter is that if owing to lack of vacancies the officer was not confirmed till he had been more than two years as an officiating Munsif, he will, on confirmation, start on the pay of his year of service.

(B. G., Judl. Dept., No. 4965-J., dated 18th June 1928, Dy. G. B. 2663.)

Deputation within District.

120. It is not necessary to gazette the deputation from one station to another within the same district of a Munsif who has been appointed to the district generally. The High Court's Order sanctioning the deputation is sufficient. A copy of the letter sanctioning the deputation should be sent to this office in order to pass travelling allowance.

(Ch. Commr.'s No. I. 4901, dated 25th October 1892, Dy. 690.)

Joining time of officiating Munsifs.

121. The Governor in Council is pleased to direct that in the case of a transfer where no vacation or interruption of duty intervenes, the officiating Munsif may be allowed "joining time" from the date of his making over charge at his old station to the date of his assuming

charge at the new station. This concession will not be allowed to Munsifs discharged at the commencement of a vacation.

(G. B., Fin. Dept., No. 4110-F., dated 9th April 1923, Dy. G. B. 315.)

121-A. No travelling allowance is admissible to a Munsif on probation for the journey he undertakes to join his first appointment as probationer.

(G. B., Judl. Dept., No. 7337-J., dated 30th August 1935, Dy. Calcutta 13867/G. A. III-2157, dated 2nd September 1935.)

122. The suggestion that a reference to the previous officiating appointment may invariably be given in the notifications themselves in all cases where an officiating Munsif is appointed to the new post, while on duty in his old post, has been accepted by the Hon'ble Court, so as to enable the audit office to regulate the grant of joining time and joining time pay in such cases.

(Registrar, High Court, Calcutta, Appellate Side, Memo. No. 16903-A., dated November 1930, Dy. No. Cal. 2380/G. A. III-423, dated 8th November 1930, and G. B., Judl. Dept., No. 9436-J., dated 21st November 1930, Dy. G. B. 1991/G. A. III-685, dated 24th November 1930.)

Travelling allowance of Probationary Munsifs deputed to the Settlement Department for training.

122-A. Probationary Munsifs deputed for settlement training may be given all the concessions admissible to the officers of the Bengal Civil Service (Executive) deputed to such training. They are entitled to allowances according to the ordinary rules for travelling on duty. The Director of Land Records, Bengal, can also exempt them up to a limit of 30 days from the operation of the ten days halt rules for the purpose of daily allowance. The pay and allowances, etc., should be drawn from the District to which the officer is attached as a probationer. The charge is debitable to the head "Civil and Sessions Courts—allowance and honoraria, etc., travelling allowance, in the 24.—Administration of Justice Budget".

(G. B. No. 4295-J., dated 26th May 1936, Dy. G. B. 2736/G. A. III-793, dated 27th May 1936, filed in Bundle No. G. A. III-1 of 1936-37.)

122-B. Conveyance allowance is admissible to Probationary Munsifs during the period of their deputation to undergo training in the Survey and Settlement Department, *vide* Appendix 5 of the Fundamental and Subsidiary Rules.

(Dy. No. G. B. 8509/G. A. III-2324, dated 31st August 1936, filed in Bundle No. G. A. III-1 of 1936-37.)

NOTE.—A probationary Munsif who while posted for training in the districts is deputed for training in Survey to the B. E. College, Sibpur, will be entitled to travelling allowance at tour rates for journey to and from Sibpur and also halting allowance for the first ten days only, while probationers joining the college directly on their first appointment will be entitled to travelling allowance at transfer rates for journey from the College to their next place of posting for training.

(G. B., Judl. Dept., Nos. 8820-J., dated 11th December 1936, and No. 3459-J., dated 17th April 1937, Dy. G. B. 13510/G. A. III-3758, dated 14th December 1936, and G. B. 847/G. A. III-267, dated 19th April 1937, filed in Bundle G. A. III-1 of 1936-37.)

Daily Allowance.

123. The following rules regulate the allowance of Munsifs [Deputy Magistrates and Deputy Collectors] in Bengal who are temporarily deputed on duty away from their headquarters:—

- (a) An officer away from headquarters on duty which does not require constant marching about will draw daily allowance at the rate of Rs. 4 a day for the first month of his halt at any one spot, and at the rate of Rs. 2 a day for the second and third months. After the third month the allowance will cease altogether.

(G. B., Judl. Dept., No. 57, dated 18th May 1925, Dy. G. B. 1262.)

- (b) The above allowance is not admissible during privilege leave but may be drawn during the Dusserah vacation.

(F. D. No. 2010, dated 31st July 1878, with Dy. G. I. 115, dated 11th June 1890, and B. G. No. 2640-A., dated 15th May 1878, with Dy. G. B. 2037, dated 6th September 1890, No. 6175-T. A., dated 24th November 1902, Dy. G. I. 301.)

NOTE 1.—The above allowances are admissible to all Munsifs, including Additional and Extra Munsifs.

(F. D. No. 2713, dated 18th August 1888, Dy. G. I. 272, B. G. No. 2353-A., dated 12th October 1883, Dy. G. B. 2922 and B. G. No. 2332—36-A., dated 13th November 1883, Dy. G. B. 3246.)

NOTE 2.—The rule applies to cases when a Munsif is required to leave his ordinary place of residence and holds his Court at a distance to clear off arrears or for other purposes, and is thereby compelled to incur extra expenditure.

(B. G. No. 3340-A., dated 4th July 1870, with Dy. G. B. 2037, dated 6th September 1890, and B. G. No. 846-T. F., dated 13th May 1884, Dy. G. B. 790.)

NOTE 3.—The above allowance is admissible only to Additional and Extra Munsifs and not to Sub-Judges.

(B. G. No. 2474-T. F., dated 14th September 1884, Dy. G. B. 2474.)

NOTE 4.—An officer, who was appointed to act as a Munsif of A but to be on deputation to B, joined his appointment at B direct and it was held that no deputation allowance was admissible on the ground that the Munsif's direct appointment was in B, his appointment at A being for the time being in abeyance.

(B. G. No. 4212-A., dated 14th August 1894, Dy. G. B. 1883, in Case 110 of 1892-93.)

124. Every case in which a Munsif is temporarily transferred for duty at a station other than his headquarters, either within or without the district, should be treated as a case of transfer, and daily allowance will not be admissible during the period of his transit.

(A. G.'s decision, dated 13th November 1897.)

125. Subordinate Judges who are transferred temporarily for duty from one district to another may be granted by the local Government an allowance equal to travelling allowance at full daily rates for the first month and at half-rate for the second and third months, after which the allowance will cease.

(G. I., H. D., No. 2120, dated 21st December 1904, with G. I., F. D., No. 8189-P., dated 27th December 1904, Dy. G. I. 426.)

NOTE.—The allowances drawn at full rates for the first month and at half rates for the second and third months, by Subordinate Judges and their establishments

while temporarily transferred on duty to another station should be treated as halting allowances in respect to which the ten days' limit imposed by Article 1056, Civil Service Regulations, has been withdrawn and ordinary travelling allowance should not be drawn in addition.

These allowances are not liable to income-tax.

(G. I., F. D., No. 922-P., dated 13th February 1907, Dy. G. I. 317.)

N.B.—(i) Ordinarily deputation allowances will not be allowed to Munsifs in cases in which they join their duties at the station to which they are deputed before joining the station to which they are permanently attached, i.e., unless the deputation involves an actual change of station and the expenses of a double establishment. Claims not covered by this principle should be referred to the local Government for orders.

(L. G. Nos. 470-A., dated 10th February 1910, and 1243-A. J. T., dated 3rd April 1910, Dy. L. G. 2752 and L. G. 110.)

(ii) The following principle should be borne in mind in checking claims to deputation allowance of officers in the Subordinate Judicial Service:—

A deputation takes place when an additional court is temporarily added to the permanent staff of a station in order to assist the permanent Munsifs of the place in dealing with unusual arrears that have accumulated there which court will be taken away, as soon as the purpose has been accomplished. Deputation allowance is admissible in this case as the officer moved has been taken away from his permanent post to which he will return in due time and may be reasonably considered to be keeping an establishment in his own station and an additional establishment with the station to which he has been deputed.

A transfer takes place when there is a change in the personnel of the permanent district staff and no deputation is admissible in such cases, even if the transfer is for a short period.

(High Court No. 580, dated 16th February 1910, with L. G. No. 873-A., dated 10th March 1910, Dy. L. G. 3099.)

Settlement Allowance.

126. Munsifs while employed on settlement duty, which will not be for more than eighteen months at a time, draw a Special Pay of Rs. 100 per mensem.

(G. I., F. D., No. 4422-Ex., dated 7th August 1905, Dy. G. I. 208, and G. I., F. D., No. 6443-Ex., dated 20th November 1906, Dy. G. I. 434; G. B., Rev. Dept., No. 15090-Misc., dated 31st October 1927, Dy. G. B. 7539.)

NOTE 1.—The local Government can depute six Munsifs to settlement training for 18 months in each field season.

(G. I., F. D., No. 6420-Ex., dated 17th October 1907, Dy. S. A. Gaz. 1203.)

NOTE 2.—The period of deputation of Munsifs to the Settlement Department should expire on the 31st May in every case instead of on the exact date on which the period of 18 months for which they are deputed may be completed.

(G. I., R. & A., No. 634-249-2, dated 4th June 1910, with F. D. No. 3042-Ex., dated 14th June 1910, Dy. G. I. 69.)

127. It has been decided that in selecting Munsifs for settlement duty the choice should not be restricted to permanent officers, but should embrace those who are either actually officiating or who have previously officiated but are at the time unemployed. Such officers will be appointed to temporary posts in the Settlement Department on remuneration not exceeding that to which they would be entitled as officiating Munsifs,

plus a special pay of Rs. 100 a month admissible to permanent Munsifs deputed to settlement work.

(S. of S. Despatch No. 151-Pub., dated 28th August 1914, with G. I., F. D., No. 1002-C. S. R., dated 26th September 1914, Dy. G. I. 363.)

Transfer to the Settlement Department during vacation how treated.

128. Munsifs deputed to the Settlement Department should be treated as attached to the Judicial Department during any period of vacation that may precede their joining a settlement post, and no part of their pay during transit should be charged to the Settlement Department.

(G. I., R. & A. D., No. 1862-2420-2, dated 30th November 1906, with G. I., F. D., No. 6890-A., dated 11th December 1906, Dy. G. I. 471.)

NOTE.—The travelling allowance of Munsifs for journeys to join the Settlement Department should not also be debited to 24—Administration of Justice.

(A. G.'s Order on Dy. S. A.—Rev. 573 on A. G. B.'s No. G. A. 3425, dated 12th February 1908.)

Payment of rent by the Additional District and Sessions Judge, Tippera and Chittagong.

129. The Additional District and Sessions Judge, Tippera and Chittagong, should be exempted from payment of rent for his Comilla residence if under special orders of Government he proceeds to Chittagong direct, without previously joining his headquarters at Comilla and is not entitled to draw daily allowance while at Chittagong.

[G. B., P. W. D. (Accounts Br.), Endt. No. 95-T. A., dated 20th May 1931, Dy. G. B. 2034/G. A. III-717, dated 23rd May 1931.]

NOTE 1.—The Government of India have decided that the period of deputation of Military officers for service with the Military Police will in the first instance be three years extensible to four years subject to the right of the Local Government to revert to military duty an officer who is found unsuitable after one year's service.

(G. I., H. D., No. F. 100/IV/33-Police, dated 15th February 1934, with E. G. No. 8075-A., dated 23rd March 1935, Dy. G. B. 16064/G. A. II-5063.)

NOTE 2.—Officers of the Civil Police holding the appointment of Commandant will draw the salary of their grade on the Civil Police. The appointment in such a case is to be treated as equivalent to that of a Superintendent of Police of the lowest grade for the purpose of calculating acting allowance.

(G. I., F. D., No. 4—3135, dated 21st July 1893, Dy. G. I. 37.)

NOTE 3.—The lodging allowance is an integral part of pay of every officer in India and is included in the calculation of pay to be drawn by Military Officers during privilege leave.

(G. I., F. D., No. F. 127-C. S. R. 27, dated 18th May 1927, Dy. G. I. 181.)

NOTE 4.—The definition of "pay" in Fundamental Rule 9 (21) (b) in the case of a Military Officer in receipt of the rates of pay introduced on the 1st July 1924, includes "pay of appointment" which as defined in the Pay and Allowances Regulations for the Army in India, Part I, includes "Staff pay". It has been decided by the Controller of Civil Accounts with the concurrence of the Government of India that staff pay should be taken into account in calculating average pay of Military Officers employed in Military Police Forces.

(Ar. Gl.'s No. 315-A. 194—30, dated 13th December 1930, Dy. India 437/G. A. II-1202.)

Joining time to Military Officers employed in Military Police on return from military furlough out of India.

159. The Government of India have decided, with the concurrence of the Auditor General, that officers of the Burma Military Police on return from military furlough out of India are entitled to joining time under clause (c) of Fundamental Rule 105.

(C. C. A.'s No. 95-A. 231—30, dated 30th March 1931, to A. G., Burma, with A. G., Burma's No. G. 7—8—395, dated 25th April 1931, Dy. Ms. 2054/G. A. II-1520.)

160. In the calculation of average pay for the purpose of leave under Fundamental Rule 100 of a military officer who proceeded on leave within a few months of his joining the civil department it has been decided by the Auditor General with the concurrence of the Government of India, that a period of 12 complete months immediately preceding the month in which the leave begins should be taken into account and that in respect of that portion of the period during which the officer was in military employ, his pay in the military department which comes within the definition of pay in Fundamental Rule 9 (21) (b) should enter into calculation of average pay.

(Ar. Gl.'s No. 167-A. 102—32, dated 22nd July 1932, Dy. India 913/G. A. II-1479.)

NOTE.—The Accountant General has decided that the wording of Fundamental Rule 9 (21) (b) shows that it was not intended to exclude personal pay in the case of Military Officer in civil employ.

The personal pay in case of a Military Officer in civil employ should therefore be taken into account in calculating average pay under Fundamental Rule 9 (2). (A. G.'s order, dated 8th September 1932, filed in Bundle G. A./86 of 1920-21 in case of Capt. J. K. Jones, I.A.)

161. The furlough pay in India of officers serving in the Military Police in Bengal should be calculated at 75 per cent. of their total emoluments, consisting of the following items, to the nearest five rupees:—

- (1) Basic pay of rank.
- (2) Indian Army Allowances.
- (3) Lodging allowance at unmarried rates.
- (4) Staff pay.

The above principles will not be applicable to officers who are posted to general duty as the services of such officers are retained permanently by the Local Governments and their leave and leave pay are governed by the Fundamental Rules.

(S. of S.'s Des. No. S. & G. 408—29, dated 4th March 1929, Dy. G. I. 57.)

NOTE.—In the case of officers serving in the Military Police in Bengal, who do not draw lodging allowance but enjoy free quarters, the unmarried rates of lodging allowance will be taken into account for calculating furlough pay provided that the officers give up their quarters before proceeding on leave.

162. For the incidence of the pay and allowances of British Army Officers whose regiments are not on the Indian establishment, and who become supernumerary in their regiments on vacating appointments under Provincial Governments. (See Note 6 under paragraph 8, Chapter I, Part II.)

[G. I., Army Dept., No. B. 24616—5-(A. G. 9), dated 12th October 1934, with G. I., F. D., No. F. 2 (7)-R. I/34, dated 20th October 1934, Dy. India 1489/G. A. I-2938.]

163. It appears that Military Officers and other ranks employed by Local Governments in Civil appointments while they are on leave or on the unemployed list in the Military Department have, in some cases, been granted pay of their Civil appointments in addition to their leave pay or unemployed pay from Central Revenues. The Government of India in the Army Department have with the approval of the Secretary of State laid down that except in the cases of those officers who are placed in the unemployed list in the Military Department under Army Instruction (India) No. 82 of 1934, military leave pay and allowances or unemployed pay and the salary of the Civil appointment are not admissible at the same time. It is therefore necessary that whenever any Military Officer is appointed to a Civil post including officers already re-appointed, the audit section should ascertain in the case of Gazetted Officers from the Controller of Military Accounts from whose audit he was transferred to the Civil Department whether the officer is in respect of leave pay or unemployed pay from the Military Department and whether his transfer to the unemployed list is under Army Instruction (India) No. 82 of 1934. If the information received is that he is on leave or is transferred to the unemployed list other than the unemployed list under the Army Instruction referred

to above, necessary steps should be taken to prevent drawal of Civil pay in addition to military leave pay or military unemployed pay.

[*Vide* G. I., Army Dept., No. 08325-(M. S. 3), dated 9th July 1935, and No. 07798-(M. S. 3), dated 8th August 1935, recd. with G. B., Appt. Dept., No. 9431-47-A., dated 6th September 1935, Dy. G. B. 6729/G. A. I-2278, dated 12th September 1935, filed in Bundle G. A. I-9 of 1935-36 and also O. O. No. 547, dated 18th October 1935.]

163-A. In the case of the fixing of pay, leave-salary, change of pay or other similar event of a military officer in civil employ, the calculations should be cross checked by the Military Accounts Officer in whose audit jurisdiction the officer last served.

(A. D. G. No. 367-A. 147-36, dated 4th November 1936, Dy. India 2455/G. A. I-3663.)

163-B. A Military Commissioned Officer subject to the Civil Leave Rules is entitled, during joining time under clauses (b) and (c) of Fundamental Rule 105, to leave salary at the rates prescribed for payment of leave salary in India, subject to the military minimum prescribed for leave spent in India, *vide* Note 2 read with Note 1 under Fundamental Rule 90, *i.e.*, at the rates in paragraph 65 (iv) of the Pay and Allowance Regulations for the Army in India, Part II.

(C. C. A.'s No. J. 649-A. 98-31, dated 18th July 1931, Dy. India 630/G. A. I-1933.)

Transfer of Assistant Commandants.

164. Assistant Commandants are gazetted to a battalion only and not as in charge of a particular detachment. The power to transfer Assistant Commandants from headquarters to an out-post or *vice versa* or from one out-post to another rests with the Inspector General of Police. The transfer of Assistant Commandants within the same battalion will be notified in the *Police Gazette*.

(I. G. P. No. 22170-73-M., dated 26th November 1910, with No. 640-M., dated 19th January 1911, Dy. Pl. D. 1966; I. G. P. No. 2570-M., dated 6th March 1911, Dy. Pl. D. 2400; S. of S.'s Des. No. 7-Judl., dated 25th March 1910, with G. I., F. D., No. 1921-Ex., dated 18th April 1910, Dy. G. I. 20.)

Language Rewards.

165. The Commandant of the Dacca Military Police, who, within two years of his first appointment as Commandant, passes in Bengali by the higher standard of the departmental examination, should be given a reward of Rs. 500. The grant of the above rewards is subject to the proviso that an officer who has previously received a reward under military rules shall not be eligible for a reward for passing in the same language in the Departmental Examination referred to above.

(S. of S.'s Des. No. 65, dated 25th October 1907, with G. I., F. D., No. 69-43-Ex., dated 18th November 1907, Dy. S. A. Gaz. 1374-E. B. & A.)

166. The Commandant or an Assistant Commandant of the Eastern Frontier Rifles, Bengal Battalion, who, within one year of his appointment as such, passes an examination in Bengali by the Lower Standard of the departmental examination for Assistant Magistrates and others, will be granted a reward of Rs. 250 provided he has not previously received a reward for passing in this language by the same standard.

(B. G. No. 10560-A., dated 14th September 1928, Dy. G. B. 5692.)

167. The Commandant and the Assistant Commandants of the Eastern Frontier Rifles, Bengal Battalion, shall be eligible to appear for examination in the following languages within one year of joining the Battalion :—

- (a) Lushai.
- (b) Garo and Kachari or Mech and
- (c) Gurkhali or Khaskura.

The rewards for passing in these languages shall be Rs. 300 in the case of (a) and (b) above and Rs. 200 in the case of (c).

Officers desirous of attending these examinations should apply for permission to the Chief Secretary to the Government of Bengal, through the Inspector General of Police, Bengal.

The Secretary to the Board of Examiners will report to Government the names of officers who have passed the examination and are entitled to the prescribed rewards.

(B. G. No. 10557-A., dated 14th September 1928, Dy. G. B. 5691.)

(1) Temporary Civil Assistant Surgeons draw salary at Rs. 150 per mensem as probationers.

(2) The officers at present in service will be permitted to count the whole of their service towards the new time-scale, and the various allowances at present drawn by them in addition to their grade pay will continue to be drawn by them in addition to the new scale of pay.

Government permit the Civil Assistant Surgeons already recruited into the service of Government to count their temporary service towards increment in the time-scale of pay sanctioned in the above resolutions.

In the case of these officers, the following restrictions shall be imposed in determining their future increments:—

(a) No officer on Rs. 275 or less shall be promoted to Rs. 300 until he has passed the first course of post-graduate training and spent two years on Rs. 275.

(b) No officer on Rs. 350 or less shall be promoted to Rs. 375 until he has spent two years on Rs. 350 and passed his second post-graduate course.

The orders contained in Government letter No. 2671-Medl., dated 14th November 1922, Dy. G. B. 6579 will apply to all Civil Assistant Surgeons already recruited into the service of Government having temporary service and not specifically to officers who went on military duty during the war. In order to regulate the increments of such officers on passing their first or second post-graduate course, the following rules are to be observed, *viz.*,—(i) An officer whose increments of pay have been withheld for failure to pass the 1st or 2nd stage of the post-graduate examinations, shall on passing the stage in question resume his place and pay in the time-scale at the point he would have reached had he passed the examination in the usual time allowed. This means that he loses to the extent of drawing no increment till the examination is passed but he recovers his position though not the actual pay lost and retains his original incremental date on passing the examination. (ii) The date of passing the examination shall be reckoned from the date following that on which the examination in question concluded and not the date on which the results are notified in the Gazette.

(B. G. Order No. 1864-Medl., dated 17th July 1923, Dy. G. B. 2754; B. G., F. D., Resn. No. 2316-Medl., dated 21st December 1920, Dy. G. B. 8098 and S. of S.'s Tele. No. 1209, dated 1st September 1920, with G. I., F. D., No. 2081-E. A., dated 29th September 1920.)

Government Hostel and Boarding School Allowance.

251. (a) A Civil Assistant Surgeon, or an officer of corresponding rank, holding medical charge of a Government Hostel or Boarding School will draw special pay in accordance with the following scale:—

NOTE.—Non-Government hostels are also entitled to free medical attendance, if there is no Government hostel in the place to provide for any particular class of the community, with the sanction of the local Government to be obtained by the Director of Public Instruction.

(L. G. No. 397-E. T., dated 7th February 1909, with F. D. No. 1410-T., dated 22nd February 1909, Dy. L. G. 3532.)

	Rs. per mensem.
For 50 boarders or more	50
For 25 to 49 boarders	30
For less than 25 boarders	25

NOTE 1.—The allowance will vary according to the maximum number of boarders actually resident during the month, which should be certified to every month by the Principal of the College or the Headmaster of the School concerned or by the Superintendent of the hostel in the case of non-Government hostels.

(B. G. No. 2668-Medl., dated 8th November 1902, Dy. G. B. 3750.)

NOTE 2.—The allowance is calculated on the maximum number of students in each month and it is a strictly monthly allowance.

(G. B., Municipal Dept., No. 1059-Medl., dated 12th August 1903, Dy. G. B. 2484.)

NOTE 3.—In the absence of Government orders to the contrary, the officers are entitled to draw no hostel allowance during a vacation when the hostel is closed and there are no boarders resident in the hostel. For a month, part of which may or may not include a vacation, the "maximum number of students" is merely the largest total of boarders present on any one non-vacation day. Hostel allowance for that month should be calculated on that maximum.

(A. G.'s decision, dated 7th October 1909, filed in case No. 252 of 1902-03.)

NOTE 4.—The Government of Bengal have decided that the present arrangements shall continue under which allowances of Medical Officers are calculated on the maximum number of boarders in the hostels in each month (*vide* Note 2), and, when there are more hostels than one in charge of one officer, on the aggregate maximum number of boarders in all the hostels. The allowance may be drawn either in the pay bill or separately; but the allowance relating to all the hostels in charge of one officer should be claimed together, and not separately, for the purpose of facility in applying the sliding scale to the aggregate number of boarders.

Government have further decided that in cases where a sliding scale has been fixed by Government depending on the numbers of boarders, all bills for allowances shall be supported by a certificate in the following form signed by the heads of the each institution under which the hostels are controlled:—

"Certified that (a) during the month of _____ Dr./Babu
was in Medical charge of _____ hostel and that during (b)

that month/the month previous to the vacation the maximum number of boarders in residence in this hostel was ..

In cases of these hostels noted below where fixed allowances have been sanctioned irrespective of the number of boarders or where whole time Medical Officers have been engaged, part (a) only of the above certificate will be required in support of bills.

Government have further decided that in all cases allowance should be paid for vacation months, as at present, and for the vacation should be drawn at rates payable during the last month preceding the vacation.

299-A. The Government of Bengal, direct that with effect from the financial year 1935-36 leave-salaries of Assistant Surgeons and Sub-Assistant Surgeons lent to other Departments should be adjusted as follows :—

Procedure to be followed in the case of the adjustment of leave-salary of a Government servant lent by one department to another or by the office to another under the same department.

If a borrowing department wishes to give leave to a Government servant lent by another department during the tenure of the post in the borrowing department the latter department should be entitled to sanction the leave provided it is prepared to pay for it and after having verified from the lending department the Government servant's title to leave. If on the other hand it is desired to give leave at the end of a period of appointment in the borrowing department and before the person concerned actually resumes duty in the lending department the borrowing department should consult the lending department and the latter should decide whether or not the leave can be sanctioned. If the leave is to be given, the reversion to the lending department of the person concerned should take effect from the commencement of the leave, which should be governed in all respects as if it were being granted from duty in the lending department. This consultation should be sufficiently in advance of the termination of duty in the borrowing department and the commencement of the leave to enable the lending department to decide in time whether it would be administratively convenient to sanction the leave because when a lending department possess a leave reserve but no deputation reserve, substitute employed in the deputation vacancy will have to be discharged from the date of commencement of leave.

2. The above procedure applies in full only to cases where both departments are non-commercial. Cases where the lending and/or borrowing departments are commercial departments stand on a somewhat different footing. In such cases the procedure for grant of leave will be the same as in the case of non-commercial departments but leave-salary in respect of leave earned in the commercial department will be debited to that department irrespective of which department may grant the leave.

3. The procedure prescribed in paragraph 1 above will apply *mutatis mutandis* in the case of grant of leave and adjustment of leave-salary, of Government servants lent by, one office to another under the same departments.

(Vide G. I., F. D., No. D. 1972-R. I/33, dated 31st July 1933, recd. with B. G., L. S.-G. Dept., No. 870-Medl., dated 25th February 1935, Dy. G. B. 14296/, G. A. I-4551, dated 27th February 1935.)

The College recruited officers for the Indian Service of Engineers as well as College recruits in the new Bengal Service should undergo training for two years before being appointed permanently to the services. The monthly subsistence allowances of recruits for Indian Service of Engineers and Bengal Engineering Services should be Rs. 200 and Rs. 150 respectively.

397. The following revised scale of pay has been introduced under the Bengal Services (Revision of Pay) Rules, 1934:—

Bengal Engineering Service (Roads Rs. 150—25—200—50/2—450—25/2—550
and Buildings). —50/2—650.

[Efficiency bar after 16th stage.]

Pay of an officer of a Provincial Engineering Service when placed in charge of a division as a temporary arrangement.

398. (a) An officer of a Provincial Engineering Service when placed in charge of a division, as a temporary arrangement in the Irrigation Branch, shall draw the rate of pay in the senior scale of the Indian Service of Engineers, corresponding to the rate in the junior scale of the same service which is next above his pay in the Provincial Service.

(b) Service rendered by the officer in any stage of the senior scale shall count for increment in that stage.

(c) On any enhancement of his Provincial Service pay (whether as a result of a revision of the Provincial Service time-scale or of the operation of that scale), the officer shall be entitled to have his pay in the time-scale of the Indian Service of Engineers re-calculated, in accordance with the principle laid down in clause (a) of this rule, on the basis of his enhanced pay, and with effect from the date of such enhancement.

(Vide G. I., I. & L. Notes No. E. 47, dated 13th November 1930, forwarded with their F. D., Endt. No. F. 19-XV Ex. I-30, dated 29th November 1930, Dy. India 370/G. A. II-1088, dated 4th December 1930.)

399. The rule under which promoted officers are brought into the superior service on the rate of pay next above that which they draw in the Provincial Service, *vide* G. I., P. W. D., letter No. 245-E. A., dated 23rd May 1921, is a special rule within the meaning of Fundamental Rule 21. Such officers become full members of the Indian Service of Engineers and their service after promotion counts for seniority together with other members of the service. They should therefore be treated as having been credited on promotion with a certain number of years of service in superior service for regulating their initial pay and subsequent increments in the Indian Service of Engineers which service they are entitled to carry in all subsequent

revisions of pay in the service. Promoted officers pay should on this principle be regulated according to length of service which will give them from the 1st April 1924, an uniform increase of Rs. 75 being the amount of technical pay merged in the basic pay.

The same principle should also apply in the case of members of the Provincial Engineering Service placed in charge of a Division as a temporary measure.

(Vide Ar. Gl.'s No. 239-A. 23—25, dated 24th March 1925, Dy. A. D. G. 1157.)

Local Allowance.

400. Assistant Engineers who are for duty in the Duars of the Jalpaiguri District are entitled to special pay at the rate of Rs. 50 per mensem.

404. Deleted.

405. It is decided by the Government of India that service rendered in any stage of the senior scale of the Indian Service of Engineers by an Assistant Engineer, placed in charge of a Division, as a temporary arrangement, shall be allowed to count for increments in that stage and also in the corresponding stage of the junior scale, when he is promoted substantively to that service.

Creation of temporary Public Works Division.

406. The Provincial Governments have been authorised to create additional temporary Public Works Division at their discretion when its creation necessitates the officiating promotion of an Assistant Engineer to the grade of Executive Engineer.

(*Vide* S. of S.'s Despatch No. 41-P. W., dated 20th September 1918, recd. on 6th November 1918, copy received with G. I., F. D., No. 542-E. A., dated 11th November 1918, Dy. G. I. 373.)

SECTION III.—SPECIALIST BRANCHES OF THE PUBLIC WORKS DEPARTMENTS.

407. (1) The Specialist Services will remain outside the Indian Service of Engineers and will be recognised under three main heads, *viz.*, Architectural, Sanitary and Electrical.

(2) The Specialist Services will be organised on a Provincial and not on an Imperial basis, and the sanction of the Secretary of State must be obtained to the total number of appointments required in each Province and to any additions to this number.

(3) The specialist appointments will be divided into two classes; those of the 1st class will be of the status of Superintending Engineers and those of the 2nd class will be of lower status and will be subdivided into two grades. The number and classification of appointments

into the 1st and 2nd classes has been settled with the approval of the Secretary of State as noted below:—

	1st class.	2nd class.
Architects	1	2
Sanitary (or Public Health) Engineers . . .	1	4
Electrical Engineers and Electric Inspectors	2

(Vide I. G., M. D., No. 130-E. A., dated 13th February 1922, and S. of S.'s Telegram No. 1627, dated 21st April 1922, recd. on 22nd April 1922, Dy. G. I. 62, dated 8th May 1922, and G. B., L. S.-G. Dept., P. H. Br., No. 2—15-P. H., dated 1st August 1930, Dy. G. B. 5381.)

(4) In regard to pay, appointments of the 1st class when filled by an officer of and above the age of 36 years will carry a remuneration approximately equivalent to that admissible to Engineer Officers of the same age who hold the post of Superintending Engineer in the Public Works Department. Appointments of the 1st class when filled by an officer below the age of 36 will carry a remuneration as for Executive Engineers. Appointments of the 2nd class when filled by an officer below the age of 30 will carry remuneration approximately equivalent to that admissible to officers of the same age who hold the post of Assistant Executive Engineer in the Public Works Department on the junior scale. The authority appointing an officer who has completed his 30th year of age will decide whether such officer shall commence service on the senior or on the junior scale of pay. An officer originally appointed on the junior scale of pay shall not come on the senior scale, even when he has completed his 30th year, unless and until the Government under which he is serving authorises payment on that scale. Officers of and above the age of 30 permitted to draw pay on the senior scale will draw age for age as For Executive Engineers. For officers of non-Indian domicile trained in Europe and recruited either in England or India the scale of pay is based on that applicable to Europe-recruited Engineers of the Public Works Department, and for officers domiciled in India who are trained in India and recruited either in England or India the scale of pay is based on that applicable to India-recruited Engineers of the Department. The rate of pay to be drawn by specialist officers with Indian domicile trained in Europe and recruited either in England or India is under consideration and orders will be communicated on this point separately. Increments will become due to an officer on the anniversary of his birthday, irrespective of the date of his appointment, and will be given for approved service only, but after the first increment has been admitted by the local Government or Administration under which he is serving, subsequent increments may be drawn on the date on which they are due, provided that they are not withheld by competent authority.

(5) If a specialist officer, who holds a second class post substantively, is appointed to officiate in a first class post before attaining the age of 36 years, he shall be granted during the period he so officiates, the pay admissible to an officer of 36 years of age of the same domicile and training when holding a first class appointment. The Secretary of State has further decided that the above ruling shall be applied retrospectively from the 24th March 1922 so as to cover the case of Mr. S. N. Ghosh, Executive Engineer, Public Health Department, Bengal, who

officiated as Chief Engineer in that Department for the period from the 24th March to 4th September 1922. The Secretary of State also regards it as important to maintain the age of 36 years as the minimum at which a specialist officer can be appointed substantively to a first class post.

(Vide G. I., I. & D. Dept., P. W. Br., No. E. 34, dated 10th July 1925, recd. with G. I., F. D., No. F. 95-Ex. 95, dated 18th July 1925, Dy. G. I. 524, dated 18th July 1925.)

NOTE.—Technical pay is abolished with effect from the 1st April 1924 and its equivalent added to basic pay.

(G. I., F. D., No. D. 3833-Ex., dated 29th June 1925, Dy. G. I. 459.)

(6) Officers for specialist appointments will ordinarily be recruited for a period of five years in the first instance, subject to six months' notice of termination of service on either side. They will be granted the right to a return passage to England in the event of their services being dispensed with on the termination of their agreement, provided that they were recruited in the British Isles. Should, however, the agreement be extended, or the officers be brought on to the permanent establishment, this right will be forfeited.

(6-A) Government of Bengal adopts the following revised scale of pay for specialist officers from 36 to 46 years of age holding appointments classified as Superintending Engineers' posts in respect of future recruits to the specialist appointments to the Public Works Department. The existing scale of pay is not altered in so far as the officers already in service are concerned.

The revised scale is as follows:—

Age last birth day.	Pay of officers of Asiatic as well as of Non-Asiatic domicile.	Overseas pay in addition in respect of officers of Non-Asiatic domicile.	Authority.

46	1,750	13 6 8	

(7) In addition to the terms of service described above, the following allowances are also approved for specialist officers:—

- (i) travelling allowance as an Assistant Executive Engineer, Executive Engineer or Superintending Engineer should be admissible according as the appointment held carries pay on the junior or senior scale or under the scale approved for appointments of the first class;

- (ii) benefits under any House Allowance Scheme if personally eligible, or any concession in respect of conveyance allowances which are admissible to officers of similar status on the regular Engineer establishment.

(8) Officers of the Sanitary and Electrical Services will be required to pass the lower standard examination in the vernacular of the province in which they are serving within the same period and subject to the same rules regarding language leave, rewards and withholding of increments as may be prescribed for the engineer establishment generally. They will also be eligible for any of the higher rewards which are offered for passing more advanced examination.

(9) In regard to the appointments as Consulting Architect or Electrical Inspector it is considered that it would be preferable not to restrict selection to those candidates who should have a Fellowship of the Royal Institute of British Architects in the one case, and a degree in electrical or mechanical engineering in the other. Such qualifications should be regarded as desirable rather than essential. In the sanitary branch it is left open to local Governments to decide, in the circumstances of each case, whether officers of the Engineer establishment deputed to that branch during the transition stage shall be required to accept a definite and permanent transfer to that branch or may retain a lien in their ordinary appointments. In arriving at the decision local Governments will doubtless be influenced by the fact that, in the latter case, they will be debarred from filling the vacancies thus caused in the cadre of the Indian Service of Engineers.

(10) Local Governments have full powers to create appointments to the specialist services of the status inferior to that detailed in paragraph 3 of this letter, the officers appointed to them being granted terms which will be based on those sanctioned for the Provincial Engineering Services generally, the age for age principle being applied and the special provident fund substituted for pensionary benefits.

(11) Local Governments are empowered at their discretion to revise the terms upon which the specialist officers subordinate to them are serving, either during the currency or on the expiration of their existing agreements, and to admit them to the conditions of service described in this letter. They are further empowered to give retrospective effect from the 10th August 1919 or any subsequent date to the revision of any agreements that may be approved by them within three months of date of the receipt of this letter by them. For the period up to 1st January 1920 the officers will only be eligible for the rates of pay in force for the members of the regular engineer establishment during that period. In cases in which the revision of agreements will involve the creation of an appointment of the status of Superintending Engineer, the previous sanction of the Secretary of State will be necessary.

NOTE 1.—The Auditor General has held that in the case of specialist officers whose present scale of pay is less than that admissible to them on the age-for-age scale appended to G. I., P. W. D., Circular No. 1-P. W., dated 29th March 1921, it is open to the local Government concerned to revise their agreements either

during the currency or on the expiration of the agreements in accordance with paragraph 12 of that Circular, and admit them to the conditions of service described therein, and that when this has been done, they can be admitted to the revised scale of pay appended to G. I., Department of Industries and Labour, P. W. Branch, letter No. E. 73, dated 8th June 1925, in accordance with paragraph 2 thereof.

(G. I., F. D., No. F. 23-Ex. I-27, dated 18th February 1927, Dy. G. I. 730.)

NOTE 2.—The Government of India have decided that it is open to the Government of Bengal to grant any pay from year to year, provided that the rates for which his age would make him eligible are not exceeded.

(G. I., No. 146-E. A., dated 22nd February 1922, with Ar. Gl.'s No. C. 8—713, dated 27th February 1922, Dy. A. D. G. 1188.)

(12) Sanction of the Secretary of State is required to the number and classification of the specialist officers attached to each local Government.

(G. I., P. W. D., Cr. I. P. D., dated 29th March 1921, read. with G. I., F. D., No. 964-E. A., dated 25th April 1921, Dy. G. I. 49.)

NOTE 3.—Under powers conferred on them in sub-paragraph 10 to paragraph 581 above, the local Government have decided that the pay of an Assistant Engineer of the Public Health Department promoted to the rank of Executive Engineer (Public Health Department) should be that sanctioned for an officer of similar standing in the Public Works Department Notification No. 19-E., dated 8th April 1930.

(Vide G. B., L. S.-G. Dept., No. 1413-P. H., dated 1st June 1931, Dy. G. B. 2328/G. A. II-1109.)

NOTE 4.—The revised scale of pay of Executive Engineers, Public Health Department is Rs. 500—50/2—1,000 (efficiency bar after the sixth stage).

Initial pay of promoted officers.—The initial pay of an Assistant Engineer in the Public Health Department promoted to one of these posts shall be—

(a) when promoted to officiate, the stage in the above scale equal to his pay in the scale of an Assistant Engineer, *plus* Rs. 150, or, if there be no such stage, the next stage above;

(b) when promoted substantively, either—

(i) the pay he would be entitled to if he were merely officiating, or

(ii) Rs. 650, whichever is greater.

APPENDIX 2.

Calcutta House Allowance Rules, 1926.

SECTION I.

ernment of Bengal, Finance Department, Resolution No. 1585-F., dated Calcutta, 12th May 1926, as revised under Government of Bengal, Finance Department, Notification No. 3841-F., dated 4th July 1933.)

1.—The scale of allowance as revised under Government of Bengal, Finance Department, Notification No. 3841-F., dated 4th July 1933, and embodied in these rules, will take effect from 1st July 1933, but they shall not be applied, except under the special orders of Government, so as to reduce any house allowance in respect of an obligation to pay rent undertaken before the date of the Notification.

THE CALCUTTA-ALIPORE-HOWRAH HOUSE ALLOWANCE SCHEME.

The object of the scheme set out in the rules which follow is to grant to married officers stationed in Calcutta, Alipore or Howrah a measure of relief against the difficulties experienced by such officers in obtaining suitable house accommodation at a rent proportionate to their emoluments. The scheme proceeds on the principle that a married officer, who, by the terms of his appointment, is stationed in any of those places, should not ordinarily be under the necessity of paying more than 10 per cent. of his pay for unfurnished house accommodation. It supersedes the existing Calcutta House Allowance Scheme, and will take effect from the 1st April 1926. The local Government reserve to themselves full power at any time to modify the scheme, and they admit no vested rights to the relief in its present or any other form, or to any compensation owing to its withdrawal or modification.

Rules.

I. These rules shall be called the Calcutta House Allowance Rules, 1926.

I. They shall apply to the following officers:—

- (a) an officer of an All-India Service whose headquarters, by the terms of his appointment, are in Calcutta, Howrah or Alipore, and whose pay does not exceed Rs. 3,000 a month and has not been fixed with special reference to the higher cost of living in the places mentioned in Schedule A;

NOTE.—Secretaries to Government other than the Chief Secretary are included among the officers to whom this rule applies.

Decision of the Government of Bengal.—It was not the intention of Government that Calcutta House Allowance should be admissible to any officer in the post of Additional District and Sessions Judge, Alipore, who is neither a member of the Indian Civil Service on a pay not exceeding Rs. 3,000 nor an officer substantively appointed to a listed post.

B., F. D. (Audit), No. 1302-F., dated 3rd March 1927, Dy. G. B. 11857, dated 7th March 1927, also G. B. 140, dated 6th April 1927.]

- (b) an officer other than a member of an All-India Service holding an appointment admitted to the Calcutta House Allowance Scheme which these rules supersede; and

- (c) an officer holding an appointment to which Government by special order declares that these rules shall apply:

Provided that without the specific sanction of Government no allowance shall be paid under these rules to—

- (i) an officer occupying quarters provided by Government whether free or on payment of rent;

APPENDIX 2.

- (ii) a medical officer who is allowed the privilege of private practice; or
 (iii) an officer drawing a compensatory allowance granted in consideration of the expensiveness of the locality, a Presidency House-rent Allowance or a Presidency Allowance.

III. Any officer mentioned in Rule II above, who occupies on payment of rent accommodation other than a residence owned or hired by Government, or resides in a hotel or boarding house in one of the places mentioned in the Schedule A annexed to these rules, and whose wife or child is resident with him, shall be entitled under these rules to a house allowance on the following scale:—

Pay.	Assumed rent.	Amount of house allowance per month.
	Rs.	Rs.
Under Rs. 300	40
Rs. 300—499	75
Rs. 500—799 . . .	175	Actual rent (subject to a maximum of Rs. 175) less 10 per cent. of pay.
Rs. 800—1,249 . . .	200	Actual rent (subject to a maximum of Rs. 200) less 10 per cent. of pay.
Rs. 1,250—1,999 . . .	325	Actual rent (subject to a maximum of Rs. 325) less 10 per cent. of pay.
Rs. 2,000—2,499 . . .	350	Actual rent (subject to a maximum of Rs. 350) less 10 per cent. of pay.
Rs. 2,500—3,000 . . .	400	Actual rent (subject to a maximum of Rs. 400) less 10 per cent. of pay.

Provisos.—(1) In special cases where an officer whose pay is between Rs. 500 and Rs. 799 satisfies Government that he cannot obtain suitable accommodation at Rs. 175, Government may sanction an allowance equal to the amount payable less 10 per cent. of his pay provided the allowance so sanctioned does not exceed Rs. 125.

(2) In special cases where an officer whose pay is between Rs. 800 and Rs. 1,249 satisfies Government that he cannot obtain suitable accommodation at Rs. 200, Government may sanction an allowance equal to the amount payable less 10 per cent. of his pay provided the allowance so sanctioned does not exceed Rs. 200.

NOTE 1.—For the purpose of calculating the allowance admissible on the above scale, pay will be as defined in Fundamental Rule 9 (21) and will include sterling overseas pay the rupee value of which will be calculated throughout the financial year at the current rate of exchange prescribed for March of the previous year.

NOTE 2.—“Actual rent” means rent, exclusive of occupier’s taxes, of unfurnished accommodation.

(a) If the rent paid includes occupier’s taxes and the actual amount of such taxes is not known, a deduction of one-twelfth shall be made from the gross rent.

(b) If the accommodation rented is furnished and the rent payable to the lessor includes a payment on account of the hire of furniture, the rent of the unfurnished accommodation shall be taken to be five-sixths of the rent of the furnished accommodation.

Explanation.—A refrigerator is “furniture” for the purposes of this note.

(c) When the amount payable by an officer residing in an hotel or boarding house or as a paying guest includes, in addition to rent, charges on account of food, furniture, service, lighting and taxes or of any of these or similar items,

APPENDIX 2.

and by reason of this it is impossible to calculate the "actual rent", the allowance admissible shall be as follows:—

Pay.	Allowance.
	Rs.
Under Rs. 300	40
Rs. 300—499	75
Rs. 500—799	175*
Rs. 800—1,249	200*
Rs. 1,250—1,999	275*
Rs. 2,000—2,499	325*
Rs. 2,500—3,000	350*

Provisos.—(1) In special cases where an officer whose pay is between Rs. 500 and Rs. 799 satisfies Government that he cannot obtain suitable accommodation at Rs. 175, Government may sanction an allowance equal to the amount payable less 10 per cent. of his pay provided the allowance so sanctioned does not exceed Rs. 125.

(2) In special cases where an officer whose pay is between Rs. 800 and Rs. 1,249 satisfies Government that he cannot obtain suitable accommodation at Rs. 200 Government may sanction an allowance equal to the amount payable less 10 per cent. of his pay provided the allowance so sanctioned does not exceed Rs. 200.

NOTE 3.—"Accommodation" means the main house and premises rented by an officer and not any additional accommodation, such as a garage or servants' quarters which may be rented elsewhere. Similarly in the case of an officer residing in an hotel or boarding house accommodation may include a garage only, when it is provided for in the hotel or boarding house even though a separate charge may be made on that account.

NOTE 4.—In cases in which the pay and allowance of an appointment are limited to a fixed maximum the allowances admissible under these rules shall not count towards the maximum.

NOTE 5.—If an officer sublets any part of his accommodation to, or recovers any part of the actual rent from, another officer, to whom these rules do not apply, the allowance admissible to him shall be reduced by 10 per cent. of the lessee's salary; or if he sublets any part of his accommodation to, or recovers any part of the actual rent from, a non-official, a reduction of two-fifths of the actual rent will be made in calculating the amount of his allowance.

Except as provided in Rule V, no two officers shall draw an allowance under these rules in respect of accommodation in the same house, flat or residence.

IV. An officer shall not draw the allowance until he has occupied accommodation in a house or flat or boarding house or hotel with his wife, or child or children, and has undertaken a liability to pay rent (or a sum including rent) for the same.

An officer may, however, continue to draw the allowance during either his own temporary absence on official duty or the temporary absence of his wife, or child or children, if he is able to certify that the rent during that period is not less than it would have been had he been resident there with his family:

Provided that, for the purpose of this rule, the length of such "temporary absence" shall not exceed—

- (i) if the accommodation occupied is a house or flat, a period of seven months' continuous absence at any one time or a total period of seven months' absence in any one calendar year;
- (ii) if the accommodation occupied is in a hotel or boarding house, a period of three months' continuous absence at any one time or a total period of three months' absence in any one calendar year.

NOTE 1.—The absence of an educational officer of the professorial branch during the period of vacation shall be treated as absence on official duty.

NOTE 2.—The allowance is not admissible during leave.

* Less 10 per cent. of pay,

APPENDIX 2.

Decision of the Government of Bengal.—(1) An officer drawing house allowance under Rule IV, proviso (i) is not required to refund the amount, thus drawn even if the "temporary absence" of his wife or family whether continuous or not happens to be more than 7 months.

(B. G., F. D., No. 3491-F., dated 12th September 1928, Dy. G. B. 5544.)

(II) The term "temporary absence" used in Rule IV does not imply that the leave is to be kept on during the whole of the temporary absence.

(B. G., F. D., No. 3277-F., dated 21st August 1928, Dy. G. B. 4824.)

V. If two or more officers entitled to a house allowance under these rules occupy one house, flat or residence, each such officer shall be required to make a declaration of the amount of rent actually payable by him: and provided that nothing in this rule shall be construed so as to entitle an officer to an allowance in excess of that which would be admissible under Rule III, the allowance admissible to each such officer shall be the rent actually payable by him less 10 per cent. of his salary.

VI. If an officer, who would otherwise be entitled to an allowance under these rules, resides in his own house, Rules III and IV notwithstanding he shall be entitled to draw an allowance at the rates prescribed in Rule III, provided that if his pay is Rs. 500 or over the amount of the allowance shall be fixed in each case by the local Government.

Decision of the Government of Bengal.—A Bengali Hindu Officer, living in a house belonging to a joint undivided Hindu family of which he is a member, cannot claim the house as his own so long as his father is alive and is consequently unentitled to Calcutta House Allowance.

(G. B., F. D., No. 1094-F., dated 19th February 1927, Dy. G. B. 11186, dated 22nd February 1927.)

VII. Every bill for an allowance payable under these rules shall be supported by one of the certificates appended to these rules. No retrenchment shall be made so long as the allowance is admissible under the letter of the rule: but the audit officer should report for the orders of Government any case in which it appears that the rules have been deliberately abused.

APPENDIX 3.

Study Leave to Military Assistant Surgeons of the Indian Medical Department.

[Army Instruction (India) No. 200, dated 13th March 1923.]

In supersession of all previous orders on the subject, the following revised regulations governing the grant of study leave to military assistant surgeons of the Indian Medical Department are published for information.

2. The regulations apply to military assistant surgeons in military employ. The question of applying the regulations to military assistant surgeons in civil employ will rest with the provincial Governments concerned.

Regulations.

1. Study leave up to a total period of 12 months in an assistant surgeon's service is admissible. It is granted on the recommendation of the Director General, Indian Medical Service.

2. The period of such leave is calculated at the rate of one-twelfth of pension service.

3. All applications for study leave from assistant surgeons in India must be submitted, with the audit officer's certificate of eligibility, to the Director General, Indian Medical Service, for approval through the prescribed channel. The application should state the course of study contemplated and any examinations proposed to be taken.

4. On the completion of a course of a study in the United Kingdom, a certificate on the proper form (which may be obtained from the India Office), together with any certificates of special study, should be forwarded to the Under-Secretary of State, India Office, who will arrange for the transmission of copies of the documents to the Director General, Indian Medical Service. In the case of assistant surgeons who have undergone a course of study in India, the certificates referred to above will be forwarded through the principal of the institution concerned. No certificate of study qualifying for study leave will be accepted unless approval of the course of study has been previously obtained.

5. Study leave allowance at the rate of 4 shillings a day out of India and Rs. 50 a month in India is admissible during the course of study and for the period of any examination held at the end of any course. It is granted on production of the certificate required by Rule 4, showing that a definite course of study at a recognised institution has been pursued. The allowance is admissible up to 14 days for any period of vacation. The period for which an assistant surgeon interrupts his course for his own convenience is not counted as vacation.

The allowance is not admissible to an assistant surgeon while studying for an arts examination. It is only admissible while he is undertaking study which is of a purely medical nature.

6. When an assistant surgeon has been granted a definite period of study leave and finds after arrival in the United Kingdom that his course of study will fall short of the sanctioned period to any considerable extent, his absence from India will be reduced by the excess period of study leave unless he produces the assent of the authorities in India to his taking it as ordinary furlough.

7. Study leave can be combined with any other kind of leave, provided the period admissible and occupied in study is not less than two months out of India or one month in India. The study leave should be taken at such a time as to leave at its conclusion a balance of the previously sanctioned leave sufficient to cover the return journey to India.

8. The minimum period of study, which will render an assistant surgeon eligible for study leave, will be two months out of, or one month in, India. The minimum

APPENDIX 3.

period of leave granted solely as study leave will be six months out of a weeks in, India. Time spent on the journey to, from, and in India, by an as surgeon whose study leave is not combined with any other kind of leave reckon as study leave, but the allowance specified in Rule 5 will be g during the period of actual study of medical subjects and of the examination, at its conclusion.

9. Assistant Surgeons on furlough in the United Kingdom who wish to part of their furlough converted into study leave, should address the Secretary of State, India Office, and should furnish a statement detailing proposed course of study for previous approval. If an extension of furlough required, the statement of the course of study proposed must be accompanied by documentary evidence of the approval of the authorities in India to the application for extension of furlough.

10. An assistant surgeon who is at home on combined leave may be permitted to commence a course of study before the end of his privilege leave and for such period the allowance admissible under Rule 5 without forfeiting privilege leave allowances during such period.

For all purposes of record and subsequent calculation of leave, the full amount of study leave taken shall, in such cases, be post-dated, as if it commenced at the end of the privilege leave.

11. In the case of an assistant surgeon retiring from, or resigning, the without returning to duty, or within one year of his return to duty, the period of study leave, the allowance authorised in Rule 5 will be forfeited.

12. The rates of pay admissible to assistant surgeons while on study will be as follows:—

Out of India—Furlough pay.

In India—Grade pay.

13. An assistant surgeon on leave on medical certificate in the United Kingdom who wishes to undertake a course of study, must first obtain a certificate from the medical board at the India Office that he is fit for study. This certificate statement of the proposed course of study must be submitted to the Principal Medical Adviser, India Office, for approval.

14. Study leave counts as service for promotion and pension but, except far as it may be taken during privilege leave, it will not count for furlough any other leave. It will not affect any leave already due and will not be reckoned in the aggregate amount of furlough admissible under regulations.

APPENDIX 4.

Revised Study Leave Rules for the Indian Medical Service.

[Army Instruction (India) No. B. 206, dated 27th July 1926.]

NOTIFICATION OF THE GOVERNMENT OF INDIA IN THE ARMY DEPARTMENT, No. 89
DATED 10TH JULY 1926.*Medical Department.*

In supersession of the rules contained in Army Department Notification No. 1742, dated 28th December 1923, the following revised Study Leave Rules for the Indian Medical Service which have been approved by the Secretary of State for India in Council, are published for information:—

—Regulations prescribed under Fundamental Rule 84 regarding the grant of Study Leave to officers of the Indian Medical Service who are subject to the Leave Rules under sections I to V of Chapter X of the Fundamental Rules

1. Extra leave for the purpose of study may be granted by the Government of India or by local Governments to officers of the Indian Medical Service on the recommendation of the Director General, Indian Medical Service. The power granted by these rules to the Government of India or to local Governments may be delegated by them to the High Commissioner for India, subject to any conditions they may think fit to impose.

2. The period of such study leave is subject to a total of twelve months in a year during an officer's service and will be calculated at the rate of one-twelfth of (i) the same service as qualifying for leave under Rules 77 and 78 of the Fundamental Rules and (ii) any service rendered before permanent appointment which counts for pension but not for leave under Fundamental Rules referred to above.

3. Study leave may be taken at any time but an officer who retires, except on account of ill-health, not later than three years from the date of return to India after taking study leave shall be liable to the cancellation of any benefits which he has received under these rules in respect of that study leave, and to the refund of any additional monies received under them.

4. The minimum period of study which will render an officer eligible for study leave shall be two months.

5. The minimum period of leave granted solely as study leave shall be six months. Time spent on the journey to and from India by an officer whose study leave is not combined with any other kind of leave will reckon as study leave at the allowance specified in Rule 10 will not be granted during the period of the journey. An officer whose study leave is combined with any other kind of leave will, however, be required to take his period of study leave at such a time as to retain, at its conclusion, a balance of other previously sanctioned leave sufficient to cover his return journey to India.

When an officer has been granted a definite period of study leave and finds on his arrival in England that his course of study will fall short of the sanctioned period to any considerable extent, his absence from India will be reduced by the excess period of study leave unless he produces the assent of the authorities in India to his taking it as ordinary leave.

6. Study leave can be combined with any other kind of leave, provided the period occupied in study is not less than two months, and, in the case of leave granted on medical certificate, provided that the Medical Board at the India Office certifies that the officer is fit for study. The total period of absence from duty will be strictly limited to the period prescribed by the Leave Rules to which an officer is subject.

APPENDIX 4.

7. Except as provided in Rule 8, all applications for study leave shall be submitted for approval, with the Audit Officer's certificate, to the Director General, Indian Medical Service, through the prescribed channel; and the course or courses of study contemplated, with details as to institutions at which study will be undertaken, details of commencement and termination of each course, and an examination the candidate proposes to undergo, shall be clearly specified thereon.

A copy of the approved programme of study will be forwarded by the Director General, Indian Medical Service, to the Secretary to the High Commissioner for India, General Department. If it is not possible for an officer to give details, as above, in his original application, or if, after arrival in England, he wishes to make any changes in the programme which has been approved by the Director General, Indian Medical Service, he should immediately on arrival in England apply to the Secretary to the High Commissioner for India, General Department, for a form on which to submit the required particulars. In cases where the officer should not, unless prepared to do so at his own risk, commence his course nor incur any expenses in connection therewith, until he receives approval to the course through the High Commissioner.

8. Officers on leave who wish to have part of the leave converted into leave or to undertake a course of study during leave, should, before commencing study and before incurring any expenses in connection therewith, submit a programme of their proposed course of study to the Secretary to the High Commissioner for India, General Department, on a form which can be obtained on application to the General Department, office of the High Commissioner for India. The programme should be accompanied by an official syllabus of the course, if one is available, and by any documentary evidence that the particular course of examination has the approval of the authorities in India. In the absence of such evidence the programme may, if approved, be proceeded with, but no leave allowance will be admissible until the concurrence of the authority in India concerned is received.

Similarly, officers on leave who desire to have it extended for purposes of study should address the Secretary to the High Commissioner for India, but in addition to furnishing a statement of the proposed study they must support their applications with documentary evidence of their having obtained the approval of the authorities concerned in India to their applying for an extension of leave. They must also produce documentary evidence of the concurrence of the authorities in India concerned to the grant of study leave and for study allowance.

9. An officer may be permitted to undertake or commence a course of study during leave on average pay and draw study allowance in respect thereof, provided that study allowance is not drawn for an aggregate period exceeding 12 months during the whole of an officer's service.

10. For the course of study, a study allowance, at present fixed at £1 a day in the United Kingdom, £1 a day on the Continent of Europe and £1-10s a day in the United States of America, will be admissible. These rates are liable to revision. No payment in respect of study allowances will be made until the satisfactory certificates, as required by Rule 12, are furnished on the completion of the course of study.

It is to be understood that in order to qualify for the grant of study allowance or for the receipt of study allowance a definite course of post-graduate study, recognised institution, or of study ordinarily associated with post-graduate study, which must be approved as suitable by the Director General, Indian Medical Service, or by the Medical Adviser to the Secretary of State for India, which will occupy the time of the officer for a minimum of five days a week and five hours a day, must be pursued. Courses of study intended for student nurses preparing for their primary medical qualifications will not be approved.

This allowance will not be admissible to an officer who retires from the service without returning to duty in India after a period of study leave, and is to be refunded under Rule 3 above in the case of retirement, otherwise than on account of ill-health within three years of return to India.

Study allowance may be given at the discretion of the Government of India or a local Government for any period up to 14 days at one time during which

APPENDIX 4.

officer is prevented by sickness duly certified by a medical practitioner from pursuing the subsequent course of study (passed by Secretary of State in Council). *India Gazette*, dated 25th August 1928.

Periods not exceeding 14 days of vacation or interval between two courses of study may, at an officer's option, be treated as study leave, in which case the study allowance will be issued. Alternatively such periods may be taken as ordinary leave, in which case study allowance will not be issued. If such periods exceed 14 days, the excess will be treated as ordinary leave without study allowance.

No course of study will be recognised as study leave for the purpose of the allowance or for any other purpose unless the course of study has been approved in accordance with paragraphs 7 and 8 above.

11. The rate of pay admissible during study leave is as follows:—

Half average pay subject to the maxima and Minima prescribed in Rules 89 and 90 of the Fundamental Rules. The rate of exchange prescribed by the Secretary of State in Council for the conversion of leave salary (other than that admissible during the first four months of a period of leave on average pay) shall apply to these allowances.

12. On completion of a course of study, a certificate on the proper form (which may be obtained from the Office of the High Commissioner), together with any certificates of special study, should be forwarded to the Secretary to the High Commissioner, General Department, who will arrange for the transmission of copies of the documents to the Director General, Indian Medical Service. Officers may also be called upon to report themselves in person to the Medical Adviser to the Secretary of State, on the conclusion of their course of study.

13. Study leave will count as service for promotion and pension, but not for leave. It will not affect any leave which may already be due to an officer, and will not be taken into account in reckoning the aggregate amount of leave taken by an officer towards the maximum period admissible under Rule 81 of the Fundamental Rules.

II.—Regulations regarding the grant of Study Leave to Officers of the Indian Medical Service (A) in temporary civil employ whose leave is regulated under Military Rules, (B) in military employ.

1. The Indian Medical Service Study Leave Rules for the time being in force under Fundamental Rule 84 apply to these officers with the following modifications. The numeration of paragraphs is that of the Rules under Fundamental Rule 84.

2. The period of study leave will be calculated at the rate of one-twelfth of pension service subject to the prescribed total.

* * * * *

6. The total period of leave granted in the first instance (study leave combined with any other leave) will not exceed one year.

7. "Under Secretary of State, Military Department, India Office," is substituted for "Secretary to the High Commissioner for India, General Department", wherever the expression occurs.

8. Ditto. In the case of officers in military employment the consent of the authorities in India will be necessary for the extension of leave, but not for the conversion of ordinary leave into study leave or for the issue of study leave allowance.

9. An officer who is at home on combined leave may be permitted to commence course of study before the end of his privilege leave and to draw for such period the study allowance admissible under Rule 10 without forfeiting his privilege leave allowances. For all purposes of record and subsequent calculation of leave, the full amount of study leave taken shall in such cases be post-dated as it had commenced at the end of the privilege leave.

11. The rate of pay admissible during study leave is the rate of leave pay admissible under the Military Leave Rules.

12. "India Office" and "Under Secretary of State, Military Department, India Office", are substituted for "Office of the High Commissioner" and "Secretary to High Commissioner, General Department".

* Officers of the Indian Agricultural Service, the Indian Veterinary Service, the Imperial Forest Service, and the Europe-recruited branch of the Indian Service of Engineers are only eligible for rewards for passing the 1st class and 2nd class Interpretership examinations. Officers of the Indian Agricultural Service, the Indian Veterinary Service, and the Europe-recruited branch of the Indian Service of Engineers may be admitted to the Degree of Honour examination, but only in exceptional cases when the Government are satisfied that it is in the interest of the public service that the officer in question should be allowed to take the examination.

European Inspectors of the Factories Department may qualify as 1st and 2nd class Interpreters in Bengali, Hindi and Urdu and earn the prescribed rewards but may not present themselves for examination in any other language, or for the Degree of Honour in Bengali, Hindi or Urdu.

(II) Candidates may present themselves for examination only in those languages in which it would be of an advantage to Government that they should qualify. A statement to this effect should be furnished by the candidate's superior officer when forwarding the candidate's application. The new tests, viz., the Preliminary, the 2nd class and 1st class Interpreterships, correspond in standard to the old Higher Standard, Proficiency and High Proficiency, respectively, and an officer who has passed any of the latter tests will not be eligible to sit for the corresponding new tests in the same language.

* These rules do not in any way affect the departmental examinations or language examination which officers have to pass under the orders of the Government of Bengal.

APPENDIX 5.

(III) The donations to be given to successful candidates will be as follows, subject to the conditions that (i) from all rewards, except for the Degree of Honour any rewards previously drawn for the same language are deducted, and in no case will an officer draw on one occasion more than one reward, and (ii) the grant for requalification as a 1st class Interpreter, after a minimum interval of three years will be one quarter of the reward for the original qualification.

The grant of rewards for the passing of all languages except Bengali and Hindi has been suspended until further orders.

Examinations in the Russian language and the incidence of expenditure connected therewith.

If therefore, any officers serving under the Provincial Government propose to appear at these examinations, in future, it will be necessary for the Provincial Governments to take necessary steps to have a sufficient amount provided for the purpose in their budget. From this provision will be met the fees for setting and examining the papers and for conducting the examinations. Under the provisions of footnote (187) in Appendix 7 to the Audit Code, Volume II, the rewards for passing language examinations are classified as charges of the departments to which the officers receiving these rewards permanently belong. The expenditure on account of the deputation of the officers and also the cost of gratuities granted to them for qualifying or requalifying in the interpretership examination will be debitable to the departmental (Central or Provincial) to which they permanently belong. The expenditure on account of similar charges in respect of officers serving under provincial Governments, when borne by the Central Government under Rule 21 of the rules for examination in Russian language referred to above, will be debited to the head "47—Miscellaneous—Miscellaneous and unforeseen charges".

APPENDIX 7.*Rules for the examination in Vernacular Languages of Officers of the Indian Agricultural Service.*

I. Every officer of the Indian Agricultural Service is required to pass an examination in a selected vernacular language within two years of the date of his arrival in India or of his first appointment to the service, whichever is later, but the Local Government may, for special reasons, extend the period for passing in any particular case. Failure to pass within the prescribed period will, in the absence of such special orders as the Local Government may issue to the contrary, entail loss of appointment or stoppage of increment of pay.

II. The compulsory vernacular will, for officers serving under the Government of India, be Hindustani, and for officers serving under Local Governments be such language as the Local Government may prescribe in each case. The examination will be conducted by such officer or officers as the Local Government may appoint for the purpose.

III. When an officer who has not yet passed in his compulsory vernacular is required by reason of transfer or for any other cause to pass in a different compulsory language the limit of time laid down in Rule I shall run from the date of the order requiring him to pass in a new language.

IV. No officer is required to pass in more than one vernacular, but every officer is expected, in order to increase his usefulness, to make himself familiar with the vernacular of the Province in which he happens to be serving. No reward will be given for passing in a first compulsory language, but for passing in any other vernacular language, a knowledge of which is, in the opinion of the Local Government, likely to add to his efficiency in the performance of his duties, an officer will receive a reward of Rs. 250 for the Lower Standard, and of Rs. 500 for the Higher Standard, the examination in such cases being the same as that prescribed for members of the Indian Civil Service.

V. In the case of officers of the Imperial Agricultural Department the Government of India will exercise the powers of the Local Government under these rules.

VI. These rules will apply to officers now in the service subject to the conditions of their respective agreements and to such orders as they may have already received from their respective Local Governments.

(Revised Draft Rules proposed by the Government of India and sanctioned by the Secretary of State received with G. I., F. D., No. 5098-Ex., dated 15th August 1907, Dy. G. I. 319.)

APPENDIX 8.

Rules relating to the study of Forestry in Europe by Officers of the Forest Department during leave.

In order to encourage selected officers of the Forest Department to undertake short tours on the continent of Europe with the object of keeping their general professional knowledge up-to-date, the following rules are published with the concurrence of His Majesty's Secretary of State for India in supersession of those issued under Circulars No. 4-F., dated 13th February 1892, and No. 4 F. 69-3, dated 20th April 1903, printed as Appendix VI and Sub-Appendix A thereto, of the Forest Department Code, 7th edition. For the purpose of more detailed study of any particular branch of Forestry, or of undertaking special investigations on the continent of Europe or elsewhere, officers of the Forest Department may be placed on deputation, while the cases of those who wish to undergo regular courses of study at institutions will be dealt with under the Study Leave Rules prescribed by the Secretary of State in Council with reference to Fundamental Rule 84.

2. The Government of India are fully convinced of the enormous possibilities of forest development in India. They are also aware that this development depends greatly on the extent to which officers of the Forest Department keep themselves up-to-date, not only in silvicultural methods of treatment but in other branches of forest management also. Consequently they regard it as of great importance that Forest Officers should avail themselves of the privileges granted by the rules attached to this resolution.

3. Permission to carry out tours under these rules will not be granted to any officer who being in a position to retire, does not undertake not to do so voluntarily until three years after his return to duty.

Rules under which selected officers of Forest Department in India may be authorised to devote portions of their leave to the study of Forestry on the continent of Europe at the public expense.

1. A Forest Officer desirous of obtaining permission to study Forestry under these rules must submit an application to the Local Government through the Chief Conservator/Conservator under whom he is serving.

2. The Local Government will forward the application to the Government of India with the remarks of the Chief Conservator/Conservator and its own recommendations in the case.

3. The Government of India will require to be satisfied that the officer applying is likely to profit by the additional experience which he will gain by Continental study, and that he possesses sufficient knowledge of the languages of the country which it is proposed that he should visit.

4. The application should reach the Government of India not less than two months before the officer concerned proposes to depart from India on leave. It should state the purpose of the proposed tour and, as far as may be possible, the localities which it is proposed to visit.

5. Officers on leave out of India, who wish to avail themselves of the privileges conferred by these rules, should address the Secretary to the High Commissioner for India, General Department, 42, Grosvenor Gardens, London, S.W. 1, giving the information mentioned in the preceding rule.

6. If the application is sanctioned before the officer concerned leaves India he will on arrival in England report at the office of the High Commissioner General Department. The details of the tour will then be arranged under the orders of the High Commissioner.

7. The maximum period which an officer will be allowed to spend on study under these rules, will be limited to three months at one time. Ordinarily, n

APPENDIX 8.

officer will be permitted to avail himself of the privilege granted by these rules more than two occasions in the course of his service. At the end of any period of study the officer concerned will submit to the office of the High Commissioner a diary showing how this time has been spent, and a report which should indicate fully the nature of the portion studied. The High Commissioner will decide whether the diary and the report show that the time of the officer has been properly employed, and will determine accordingly for what period the daily allowance admissible under Rule 8 may reasonably be granted.

8. An officer permitted to avail himself of the privilege granted by these rules will be paid through the office of the High Commissioner the cost of first class return tickets by rail and steamer from London to the places which he may be required to visit. He will also, subject to the preceding rule, be granted a daily allowance, on such scale as the Secretary of State may fix from time to time during the period of study. The rate as at present fixed is £1 a day on the Continent of Europe but is liable to revision. Forms for the submission of claims for travelling and subsistence allowances will be supplied by the office of the High Commissioner, General Department, to which claims should be submitted for payment.

9. The reports, notes and drawings submitted by an officer may not, without the previous permission of the Government of India, be communicated to any professional journal or institution; and the Government of India will be at liberty to print, publish or circulate them, should they think fit to do so.

APPENDIX 16.

Free Medical Treatment of European Government Servants of the Superior Civil Services.

1. Free treatment is permissible in the case of European Government servants belonging to services or holding posts included in the schedules to the Superior Civil Services Rules, 1924, or declared superior under sections 67-A and 72-D of the Government of India Act. For the purpose of those orders a European Government servant is an officer whose domicile, as defined in clauses 2 and 3 of the schedule to the Fundamental Rules, is non-Asiatic. The officer only (not members of his family) will be entitled to free treatment.

2. Free treatment means free medical, surgical and nursing treatment given in a public hospital subject to a maximum cost of Rs. 7 per diem. It does not include charges for board or special accommodation. These charges will be defrayed by the officer himself.

3. Where a hospital charges an inclusive sum for all services it will be assumed that the cost of the services for which the officer is not to be liable is, subject to a maximum of Rs. 7 per diem, half the said inclusive sum.

4. In the case of a Government hospital, the free treatment will constitute an ordinary function of the hospital. In the case of non-Government hospital the cost of free treatment will be met by Government in the shape of a grant to the hospital equivalent to the cost of the treatment.

N.B.—Cost of services which are not ordinarily provided in any particular hospital if rendered to any officer whether at his own request or under his Doctor's orders, will not be defrayed by Government. But if a murderous assault is made on a Government officer, as such, the injured officer is reimbursed for all charges. (*Vide* B. G., L. S.-G. Dept., No. 731-746-T. Medl., dated 22nd October 1932, Dy. G. B. 7114/T. M. 2194, and No. 4133-Medl., dated 24th December 1929, with No. 2432-P. H., dated 19th December 1932, Dy. G. B. 9083/T. G. 5639.)

5. In the absence of a medical certificate to a contrary effect, the following are the stations to which officers should proceed for free hospital treatment:—

- (a) Officers in the Dacca District and the Mymensingh District (except Tangail) to Dacca, for treatment in the Mitford Hospital.
- (b) Officers in the Chittagong Division—to Chittagong, for treatment in the Chittagong Sadar Hospital.
- (c) Officers in the Darjeeling District—to Darjeeling, for treatment in the Eden Sanitarium (when it is open).
- (d) Officers elsewhere and officers in the Darjeeling District when the Eden Sanitarium is closed—to Calcutta, for treatment in the Presidency General Hospital.

(*Vide* B. G. No. 2774-Medl., dated 18th November 1927, Bundle G. A. 23 of 27-28.)

NOTE.—Charges on account of medical, surgical and nursing treatment in a hospital are contingent charges and as such are audited and adjusted in Treasury Audit Department, *vide* paragraph 972 of the Treasury Audit Department Manual.

APPENDIX 17.

Premature Retirement Rules.

(Govt. of India, Home Deptt., Notfn. No. F. 366/35, dated 17th June 1937, Dy. India 1642/Pen. 3424.)

In exercise of the powers conferred by paragraph (a) of sub-section (1) of section 247 and sub-section (2) of section 257 of the Government of India Act, 1935, the Secretary of State for India, with the concurrence of his Advisers, hereby makes the following Rules, namely:—

1. (1) These rules may be called the Premature Retirement Rules.
- (2) They shall come into force on 1st April 1937.
- (3) Any previous rules made by the Secretary of State in Council for the regulation of premature retirement on proportionate pension are hereby cancelled.
2. (1) The following officers may be permitted by the Secretary of State to retire under these rules:—
 - A. Any officer who, with effect from a date earlier than the date on which these rules come into force, was selected for or appointed to one of the services specified in entries (i) and (ii) or appointed to one of the posts specified in entries (iii), (iv) or (v) of the First Schedule, and who, if so selected or appointed after the 1st April 1924, was at the time of such selection or appointment of non-Asiatic domicile.
 - B. Any officer selected for or appointed to the Indian Civil Service or the Indian Police by the Secretary of State after the date on which these rules come into force and whose domicile at the time of such selection or appointment was non-Asiatic.

Provided that—

- (a) no officer serving in connection with the affairs of the Federation, except an officer of the Railway Department, shall be eligible to retire under these rules—
 - (i) before the establishment of the Federation, or
 - (ii) if he is permanently employed in the Crown, External Affairs, Defence or Ecclesiastical Department;
 - (b) no officer of the Regular Army in civil employ who is liable to recall to military employment, no officer of the Royal Indian Navy and no officer of the Indian Medical Service who has completed less than 17 years' total service, shall be eligible to retire under these rules unless the competent military or naval authorities are unable or unwilling to absorb him in military or naval employment as the case may be;
 - (c) no officer of the Railway Department, shall be eligible to retire under these rules before the establishment of the Federal Railway Authority.
 - (d) no officer serving in a department administered by a Governor in his discretion shall be eligible to retire under these rules while so employed;
 - (e) no officer shall be eligible to retire under these rules who is certified to be physically unfit for further service in India.
- (2) If any doubt arises as to the date of any selection or appointment referred to in sub-rule (1) of this rule the matter shall be referred to the Secretary of State whose decision shall be final.
3. (1) Applications for such permission shall be addressed by officers serving in connection with the affairs of the Federation to the Governor General, and by officers serving in connection with the affairs of a Province to the Governor.
- (2) An application under this rule may be submitted by an officer while he is on leave out of India, and in that case, unless the Governor General or the Governor, as the case may be, considers his return to duty necessary before his

application can be considered, the rules shall apply to him in the same manner as if his application had been submitted while on duty:

Provided that an officer who has made an application under this rule while he is on leave out of India and whose application is sanctioned by the Secretary of State before his leave expires shall not be eligible for the gratuity described in Rule 12, except to the extent admissible under sub-rule (6) of that rule.

4. On receipt of an application the Governor shall forward it with his recommendation to the Governor General, and the Governor General shall forward all applications other than those which have been cancelled under Rule 7 whether received direct or through the Governor of a Province, with his recommendations for the orders of the Secretary of State.

5. An officer who has been permitted by the Secretary of State to retire under these rules or whose application has been forwarded by the Governor General or the Governor with a recommendation that his retirement be sanctioned, shall, unless the Governor General in the case of officers serving in connection with the affairs of the Federation, or the Governor, in the case of officers serving in connection with the affairs of a Province, sees reason to the contrary, be permitted to avail himself, in anticipation of his retirement, of the full amount of leave which is due to him and which may be granted to him at one time (otherwise than on medical certificate) under the regulations for the time being in force and applicable to him:

Provided that if the Governor General or the Governor, as the case may be, considers that leave in anticipation of retirement should not be granted, or that less than the full amount of leave available under regulations for the time being in force should be granted, the proposal to withhold or reduce the leave applied for shall be submitted with the reasons therefor for the orders of the Secretary of State.

6. (1) The Governor General or the Governor, as the case may be, shall fix the date on which leave granted under Rule 5 shall commence:

Provided that an officer who has been permitted by the Secretary of State to retire under these rules shall not be detained in India beyond the date on which he desires to leave unless his detention cannot be avoided without prejudice to the public interest.

(2) If the Governor General or the Governor, as the case may be, considers that suitable arrangements cannot be made for the relief of any officer at the date on which he desires to proceed on leave preparatory to retirement under these rules, he may, when forwarding the application for the orders of the Secretary of State recommend that the Secretary of State should postpone the grant of permission and in that case shall specify the period of such postponement.

7. An officer who has submitted an application for permission to retire under these rules shall not be at liberty to cancel his application and, if on leave, to return to duty without the consent of the Governor General in the case of officers serving in connection with the affairs of the Federation or of the Governor in the case of officers serving in connection with the affairs of a Province.

8. (1) An officer who has submitted an application for permission to retire under these rules may be permitted to take up other employment during the currency of his leave preparatory to retirement.

(2) Such permission may be granted—

(a) if the proposed employment lies in India, by the Governor General in the case of officers serving in connection with the affairs of the Federation or by the Governor in the case of officers serving in connection with the affairs of a Province;

(b) if the proposed employment lies elsewhere than in India, by the Secretary of State:

Provided that an officer who has been granted permission to take up employment under this rule shall be precluded, save with the specific consent of the Secretary of State from withdrawing his request for permission to retire and from returning to duty in India.

(3) The Secretary of State, the Governor General or the Governor, as the case may be, shall have the right to withhold permission to take up employment under this rule in cases where the employment appears to him to be such as could not with propriety be held by a person who is still in the service of the Crown in India; or, alternatively, to grant the desired permission in any such case subject to such conditions or restrictions as he may think necessary.

9. (1) The right of any officer to receive or retain a pension under the provisions of these rules is subject to the right of the Secretary of State—

- (a) to reduce or withhold any pension, if the past service of the applicant is not approved, or if the pensioner after retirement is convicted of serious crime or is guilty of grave misconduct; and
- (b) in cases where an officer obtains, prior to, or within two years from, the date of his retirement under these rules, other employment under the Crown, to suspend payment, wholly or in part, while the officer continues to be employed under the Crown, of the proportionate pension admissible under these rules.

(2) In cases where a proportionate pension is suspended wholly or in part under clause (b) of the preceding sub-rule, the officer shall on the termination of his employment under the Crown receive the full proportionate pension under these rules in respect of his Indian service in addition to any pensionary award that may be granted to him under the rules of the service in which he is employed after retiring from the Indian service.

(3) For the purposes of this rule, the expression "employment under the Crown" shall be deemed to include employment under the Governments of Crown Colonies, Protectorates, and territories mandated to the British Government, but does not include employment under the Government of a self-governing Dominion or a State in India, or under a Local Authority.

(4) A proportionate pension shall not be liable to suspension either wholly or in part under sub-rule (1) (b) of this rule unless the proportionate pension, when combined with the initial pay of the officer in his new appointment, would exceed three-fourths of the pay which he would have drawn if he had remained on duty in India.

10. Subject to the provisions of Rule 9, a pensionable officer who has been permitted by the Secretary of State to retire under these rules shall be entitled, if he has completed less than five years' total service, to a gratuity equal to one month's pay (at the rate drawn by the applicant while last on duty before his retirement), multiplied by the number of completed months of total service at the officer's credit and divided by 12, and converted at the rate of 1s. 9d. per rupee; and if, he has completed five years' total service, to a pension of the amount shown in the Second Schedule.

11. A non-pensionable officer of a Railway Service, Class I, who may be permitted to retire prematurely under these rules shall be entitled to the Railway contribution or bonus to his Provident Fund under the Provident Fund Rules of the Railway, and his gratuity under the Gratuity Rules calculated as if he had been invalidated from service. If the officer has elected to subscribe to the Sterling Branch of the State Railway Provident Fund, the payment of the amount due under this rule shall be made in sterling at the rate and in the place prescribed in the State Railway Provident Fund (Sterling Account) Rules, otherwise in rupees in India.

12. (1) In addition to the pension or gratuity referred to in Rule 10 or the bonus and gratuity referred to in Rule 11, any officer who has been permitted to retire under these rules (other than an officer who is entitled to the pension specified in the Second Schedule as the maximum pension admissible under these rules to the service to which he belongs and when more than one method of calculating a pension is prescribed, for the method of calculating the pension actually adopted) and who proceeds on retirement or on leave preparatory to retirement to some part of the British Empire intending to settle there permanently, shall, subject to the provisions of Rule 3 (2), be entitled to receive a gratuity equal to the cost, allowing for any special rebates admissible to railway officers, of first class fares

APPENDIX 17.

and passages from the last place of his employment in India to his destination for himself, and for his wife and children if they were in India at the time of his proceeding on retirement or leave preparatory to retirement:

Provided that except with the special sanction of the Secretary of State no gratuity shall be payable under this rule to an officer who is permitted to retire or to proceed on leave preparatory to retirement while employed elsewhere than in India and the amount of the gratuity (if any) payable to such an officer shall be such as the Secretary of State shall direct:

Provided further that where there is no railway or steamer station at the last place of employment of an officer permitted to retire under these rules, the Governor General, in the case of officers serving in connection with the affairs of the Federation, and the Governor, in the case of officers serving in connection with the affairs of a Province, may include in the gratuity of such officers an amount equivalent to the mileage allowance for his journey to the nearest station which would have been admissible to him under the travelling allowance rules applicable to him:

Provided further that officers belonging to Railway services, class I, shall be entitled to 1st class passes in place of the cost of 1st class fares for railway journeys in India.

(2) For purposes of payment of this gratuity to officers proceeding to or *via* the United Kingdom, first-class fares and passages shall be first-class steamer or railway fares to Bombay *plus* cost, allowing for any special rebates admissible to railway officers, of first-class passage at B rates by the P. and O. Steam Navigation Company to London (all sea route); and in addition, railway fares from London to destination. These rates are payable irrespective of the line or class by which an officer or his family travels.

(3) Payment of the gratuity admissible under this rule (excluding that portion representing railway fares from London, which shall be paid by the High Commissioner), shall be made by the Governor General or the Governor, as the case may be, before the officer leaves India.

(4) The Governor General or the Governor, as the case may be, may sanction the payment of a gratuity calculated as in sub-rules (1) and (2) of this rule, but excluding the fares and passages of the officer himself, to the families of officers who are obliged by climatic or analogous reasons to leave later than the officer himself, or in advance of the officer but subsequent to the submission of his application to retire.

(5) An officer who applies in India for permission to retire and who is permitted to leave India in anticipation of the sanction of the Secretary of State is eligible for the gratuity. In such cases, if the officer proceeds to the United Kingdom, the Governor General or the Governor, as the case may be, shall authorise the High Commissioner to make payment.

(6) Officers who apply to retire while on leave in England and whose families are in India at the time when their retirement was sanctioned by the Secretary of State shall receive a portion of the gratuity equal to the cost, allowing for any special rebates admissible to railway officers, of first-class railway fares and passages for their families when the latter leave India.

(7) In no case shall a gratuity admissible under this rule or any portion thereof be payable until the Secretary of State has sanctioned the officer's retirement under these rules.

(8) The gratuity admissible under this rule shall be reduced by the value of any benefit received under the provisions of Schedule IV to the Superior Civil Service Rules in respect of the journey referred to in sub-rule (1) above.

(9) The gratuity paid to an officer under this rule shall, in the event of his being permitted to return to duty in India, be refunded. Such refunds may be made by deductions of 36 equal monthly instalments from the officer's pay-bill, commencing with the first pay-bill drawn after return.

(10) For the purpose of this rule the term children means legitimate children or step-children of an officer, whatever their age, who are wholly dependent on him.

APPENDIX 17.

13. (1) A member of the Indian Civil Service who retires under these rules may adopt at his option any one of the three following methods of retaining for his wife and children benefits, admissible under the Indian Civil Service Family Pension Regulations, namely:—

- (a) He may cease to make any contributions and payments under the regulations, and shall then retain only the right to a proportion of the contingent benefits under the regulations for his wife and children existing on the date of retirement, and for any children subsequently born to that wife. This proportion shall be equal to the number of his completed years' total service divided by 25, and the calculation shall be based upon the pension admissible to the widow of an officer of the class to which he belonged at the time of his retirement.
- (b) He may continue up to his 51st birthday to make contributions under the regulations at the rates payable by him at the date of retirement, and shall then retain the right to the full contingent benefits admissible under the regulations, according to his class on the date of his retirement for his wife existing at the date of retirement, and for any children by her, whether born before or after retirement. Under this alternative subscriptions will be payable under the ordinary regulations for each child, whether born before or after retirement. In the event of the death of the wife, subscriptions at the bachelor rate appropriate to the subscriber's class on retirement will be payable until the age of 51:

Provided that in the case of a subscriber appointed to the Service before 1st April, 1910, all such contributions shall cease with effect from the date on which he would have completed 25 years' service or from the 1st January, 1930, whichever is the later.

- (c) He may continue up to his 51st birthday to make contributions and payments under the regulations at the rates which would have been payable by him from time to time had he remained in the service. In that case he shall retain the full benefits admissible under the regulations as if he had remained in the service until death or retirement with an ordinary pension:

Provided that, in the event of the officer failing to notify within three months of the date of his retirement the method selected by him, he shall be deemed to have elected the first of the above methods.

(2) The Secretary of State shall make good to the Indian Civil Service Family Pension Fund under a suitable procedure any loss which may be estimated to be thrown upon it by the operation of this rule.

14. (1) An officer of the Indian Army or the Royal Indian Navy or of the Indian Medical Service who retires under these rules may select any one of the three following options with regard to his subscriptions under the Indian Military Service Family Pension Regulations or to the Indian Military Widows' and Orphans' Fund:—

- (a) He may continue to subscribe at the half rate of subscription under Article 28 of the Indian Military Service Family Pension Regulations or Rule 32 of the Indian Military Widows' and Orphans' Fund: or if a married subscriber under the Indian Military Service Family Pension Regulations, he may withdraw, receiving the refund authorised by Article 28. If he continues to subscribe he will retain the same rights to contingent benefits from the funds as if he had retired under the ordinary rules.
- (b) He may cease to make any payments under the regulations except in so far as is provided by the last sentence of this clause, and shall then retain the right to contingent benefits at the rates admissible under the regulations to the widow and children of an officer of the class to which he belonged at the date of retirement, for his wife and children existing at that date, and for any children subsequently born to that wife. Under this alternative, any donation payable under the ordinary

APPENDIX 17.

rules for any child born after retirement must, however, be paid by the officer if he desires to retain any right to continuance of benefits for any such child.

- (c) He may continue up to his 55th birthday to make payments under the Regulations at the full rates applicable to the class which he would have attained had he remained in the service until that date, and thereafter at half rates according to the class in which he is then subscribing. Any donation becoming due after the age of 55 will be payable in full as in the case of ordinary retirements. His wife and children will in this case be eligible for the full benefits appropriate to the class in which he is subscribing at the date of death:

Provided that in the event of the officer failing to notify within three months of the date of his retirement the option selected by him he shall be deemed to have selected the first of the above options.

(2) The Secretary of State shall make good to the Indian Military Service Family Pension Scheme or the Indian Military Widows' and Orphans' Fund, as the case may be, any loss which may be estimated to be thrown upon them by the operation of this rule.

In exercise of the powers conferred by Rules 41, 42 and 44 of the Civil Services (Classification, Control and Appeal) Rules, the Governor in Council and acting with his Ministers hereby makes the following rules, namely:—

Rules.

1. These rules may be called the Bengal Services (Revision of Leave) Rules, 1934.

2. Subject to the exception hereinafter contained, these rules shall apply (with retrospective effect where necessary from the commencement of service counting for leave) to the following classes of persons subject to the rule-making control of the Government of Bengal whose domicile is Asiatic or who, if their domicile is non-Asiatic, have not been specially recruited overseas for service in India:—

- (i) All persons who enter or have entered or are or have been re-employed in Government service, whether in a permanent or other capacity, on or after the 22nd July 1931;
- (ii) Persons who were in Government service whether in a permanent or other capacity on the 21st July 1931, if there is a break in their service after that date:

Provided that, in the case of a munsif who officiated on or before the 21st July 1931, any breach in service prior to permanent appointment as munsif, shall not constitute a break in his service for the purpose of these rules.

NOTE 1.—For the purpose of these rules, the term "Government Service" shall be deemed to include prior service under the Central Government or any Provincial Government in India or under Local Funds administered by Government.

NOTE 2.—A person re-employed under the Bengal Re-employed Personnel (Conditions of Service) Rules, 1934, will be regarded as having had a break in service.

Exception.—Persons in respect of whom special provisions regarding leave have been made shall be governed by such special provisions, e.g., piece-workers in the Bengal Government Press.

3. All other rules regulating leave and leave procedure contained in the Fundamental Rules and the Subsidiary Rules framed by the Local Government thereunder, as amended from time to time, shall, in so far as they are not inconsistent with, or repugnant in subject or context to, these rules, remain operative in the case of all persons to whom these rules apply:

Provided that, in their application to persons subject to these rules, all references in the Fundamental and Subsidiary Rules to leave on average pay shall be read as references to "earned leave"; and all references to four months' leave without distinction of kind as references to 90 days' leave without distinction of kind.

6. Unless the Local Government shall otherwise determine, a Government servant shall cease to be in Government service if he is continuously absent from duty for five years whether with or without leave, unless such absence is absence on foreign service in India.

7. Any kind of leave under these rules may be granted in combination with or in continuation of any other kind of leave.

8. No leave shall be granted beyond the date on which a Government servant must compulsorily retire:

Provided that, if a Government servant has applied in writing for earned leave due to him preparatory to retirement and has on account of the exigencies of the public service been denied that leave in whole or in part by the authority empowered to grant it, the said authority may grant to the Government servant the whole or any portion of the earned leave so denied, even though it extends to a date beyond the date on which such Government servant must compulsorily retire:

Provided further that a Government servant whose service has been extended in the interests of the public service beyond the date of his compulsory retirement may similarly be granted either within the period of extension or, if the conditions of the preceding proviso are satisfied, after its expiry, any earned leave which could have been granted to him under the preceding proviso had he retired on that date and in addition any earned leave due in respect of such extension not exceeding the limit of 90 days in all prescribed in Rule 10.

9. Subject to the provisions of Rule 5 and Rule 8, a Government servant may at any time be granted the whole or any part of the earned leave due to him.

10. The earned leave admissible to a Government servant in permanent employ is one-eleventh of the period spent on duty:

Provided that, when the earned leave due to a Government servant amounts to—

11. (a) The earned leave admissible to a Government servant not in permanent employ is, when he is in superior service, one-twenty second of the period spent on duty, provided that when the earned leave due amounts to 30 days he shall cease to earn such leave.

(b) No earned leave is admissible to a Government servant in inferior service not in permanent employ.

NOTE.—In calculating "Earned leave" under Rules 10 and 11 the actual numbers of days of duty performed should first be counted and then multiplied by 1/11 or 1/22nd as the case may be, and the product expressed in days (and fraction of a day).

12. A Government servant not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the earned leave which would have been admissible if his previous duty had been duty as a Government servant in permanent employ diminished by any earned leave already taken. Leave is not an interruption of duty for the purpose of this rule.

13. Subject to the provisions of Rule 14—

(a) Earned leave is not admissible to a Government servant in permanent employ serving in a vacation department in respect of duty performed in any year in which he avails himself of the full vacation.

(b) The earned leave admissible to such a Government servant in respect of any year in which he is prevented from availing himself of the

APPENDIX 19.

full vacation is such proportion of 30 days earned leave as the number of days of vacation not taken bears to the full vacation.

If in any year he is prevented from availing himself of any part of the vacation, earned leave is admissible to him in respect of that year in accordance with the provisions of Rule 10.

- (c) Vacation may be taken in combination with or in continuation of any kind of leave under these rules, provided that the total duration of vacation and earned leave taken in conjunction, whether the earned leave is taken in combination with or in continuation of other leave or not, shall not exceed 90 days.

[*Instruction*.—It has been decided by the Government of Bengal, Finance Department, that vacation should be treated as the equivalent of earned leave and must not by itself exceed 90 days even if taken in combination with or in continuation of leave other than earned leave.]

(G. B., F. D., No. 6214-F., dated 22nd August 1935, Dy. G. B. 5885/G. A. III/2026, dated 24th August 1935.)

- (d) Earned leave is not admissible to a Government servant serving in a vacation department who is not in permanent employ.

14. Notwithstanding anything in sub-rules (a) and (b) of Rule 13—

- (a) the earned leave admissible to the Judges and Registrar of the Small Cause Courts, Calcutta, and to members of the Bengal Civil Service (Judicial) in respect of duty performed in any year in which the officer avails himself of the full vacation shall be $\frac{1}{22}$ nd of the period spent on duty:

- (b) the earned leave admissible to such a Government servant in respect of any year in which he is prevented from availing himself of the full vacation shall be such proportion of 15 days earned leave as the number of days of vacation not taken bears to the full vacation.

[*Instruction*.—The exception below S. R. 276 of the Bengal Fundamental and Subsidiary Rules remains operative in the case of Munsifs governed by these rules. The non-continuous services of such Munsifs prior to confirmation would therefore count towards leave.

Such Munsifs discharged during the vacations of civil courts should be allowed earned leave at $\frac{1}{22}$ nd of duty *plus* credit of 15 days under clauses (a) and (b) of Rule 14.]

(G. B., F. D., No. 4244-F., dated 3rd July 1935, Dy. G. B. 3757/G. A.-III/1337, dated 6th July 1935.)

15. Leave on private affairs may be granted only to a Government servant in permanent employ in superior service and to the following extent, namely:—

- (a) If not belonging to a Subordinate Service for 18 months in all, and on any one occasion for not more than 3 months if spent wholly in Asia or for not more than 9 months if spent wholly outside Asia; if the leave is spent partly in and partly outside Asia, the period shall be three months *plus* such time as is actually spent outside Asia subject to a maximum total period of nine months:

- (b) If belonging to a Subordinate Service for 12 months in all, and on any one occasion for not more than 3 months if spent wholly in Asia or for not more than 6 months if spent wholly outside Asia; if the leave is spent partly in and partly outside Asia, the period shall be three months *plus* such time as is actually spent outside Asia subject to a maximum total period of six months.

16. (a) Leave on medical certificate not exceeding twelve months in all during his service may be granted to a Government servant in permanent employ. Provided that, when the maximum period of 12 months is exhausted, further leave on medical certificate not exceeding 6 months in all may be granted in exceptional cases on the recommendation of a Medical Board.

(b) Leave on medical certificate may be granted to a Government servant not in permanent employ, when he is in superior service, up to one-thirtieth of the period spent on duty *minus* the amount of any such leave that may already have been taken by him.

(c) The leave admissible under sub-rules (a) and (b) shall be given only on production of a medical certificate from such medical authority as Government may, by general or special order, prescribe in this behalf and for a period not exceeding that recommended by the medical authority.

(d) In the case of a Government servant in superior service not in permanent employ who is subsequently appointed to a permanent post, the leave admissible under clause (a) in respect of his permanent service will be reduced by such leave as may already have been enjoyed by him under clause (b) during his previous temporary service.

17. (1) Extraordinary leave may be granted to any Government servant in special circumstances—

(a) when no other leave is by rule admissible, or

(b) when other leave is admissible, but the Government servant concerned applies in writing for the grant of extraordinary leave.

(2) Except in the case of a Government servant in permanent employ, the duration of extraordinary leave shall not exceed 3 months on any one occasion.

(3) The authority empowered to grant leave may commute retrospectively periods of absence without leave into extraordinary leave.

18. (1) A Government servant on earned leave is entitled :—

(a) if in permanent employ to leave salary equal to his average pay, or to his average substantive pay for the 12 complete months preceding the month in which the leave is taken, whichever is greater :

Provided that the leave salary of a Government servant in inferior service shall be reduced by half the amount of the pay drawn by any substitute employed in his absence;

(b) if not in permanent employ to leave salary equal to his pay on the day before the leave commences.

(2) A Government servant on leave on private affairs or leave on medical certificate is entitled to leave salary equal to half his average pay, or to half his average substantive pay for the 12 complete months preceding the month in which the leave is taken whichever is greater, subject in either case to :—

(a) a maximum of Rs. 750, and

(b) for any portion of leave which is spent outside Asia a minimum of £20 or the amount of his average pay, whichever is smaller.

(3) A Government servant on extraordinary leave is not entitled to any leave salary.

Explanation.—For the purposes of this rule, average pay means the average monthly pay earned during the 36 complete months preceding the month in which the event occurs which necessitates the calculation of average pay, and substantive pay means the substantive pay of the permanent post which the Government servant holds substantively or on which he holds a lien or would hold a lien had the lien not been suspended.

19. When leave is granted to a non-gazetted officer under these rules, the nature of the leave and the number of the rule or rules under which it is granted shall be entered in his Service Book and attested by the head of his office.

APPENDIX 20.

APPENDIX 20.

Method of allocation of leave salary of Government Servants subject to the Revised Leave Rules and procedure for the recovery and adjustment, etc., of contributions payable in accordance therewith.

1. With reference to the method of allocation of leave salary of Government servants subject to the revised leave rules (*vide* Government of India, Finance Department, letter No. D. 3861-F., dated 11th April 1935, reproduced as Annexure B to this Appendix), the following procedure has been laid down by the Auditor General for recovery and adjustment, etc., of contributions payable by borrowing Governments on account of leave salaries of Government servants subject to the revised leave rules:—

- (a) *Responsibility for watching recoveries.*—According to the principle enunciated in Article 48 of the Account Code regarding inter-provincial and inter-departmental adjustments, the Audit Officer of the lending Government should take credit in the accounts by *per contra* debit to the borrowing Government or Department through the exchange account head.
 - (b) *How to watch recoveries.*—A register in the enclosed form (Annexure A to this Appendix) should be used for the purpose of watching recoveries,—one page being allotted to each officer so as to present the records of his serving under the borrowing Governments and of contributions recovered in respect of such service. On the analogy of Rule 22 (2) of Appendix 15 to the Audit Code the calculation of the amount recoverable from the borrowing Government may be made at the end of the service under the borrowing Government or at the end of the financial year whichever is earlier, and the adjustment may then be made in one lump sum.
 - (c) *Accounts classification.*—The recoveries should be credited under the minor head “Collection of payments for services rendered” under the major head appertaining to the department from which the officer is deputed, or, where there is no such receipt head, under the minor head “Collection of payments for services rendered” under the major head “XXXV—Miscellaneous”.
- The payments on account of the contributions should be charged to the major and minor head of account under which the officer's pay and allowances are charged under the borrowing Government.
- (d) *Debits in the exchange accounts.*—The debits in the exchange accounts should be supported by a certificate from the Audit Officer of the lending Government to the effect that the amount charged has been calculated according to rules.

3. The contributions are to be recovered in respect of periods of duty only excluding leave of all kinds taken under the borrowing Government.

APPENDIX 20.

I am directed to say that the Government of India have now decided that in respect of the officers subject to the Revised Leave Rules, a system of recovery from borrowing Governments of contribution for leave salary at the rates laid down for foreign service contributions should be introduced with retrospective effect from the date of introduction of the Revised Leave Rules, i.e., 16th July 1931. The existing rates will be applied for a period of five years in the first instance or until the date of introduction of the revised rates of leave salary contributions whichever is earlier.

2. I am also to add that the Government of India suggest that the arrangement set forth in paragraph 1 above the reciprocal, i.e., if any Local Government has framed revised leave rules similar to the Government of India's rules, which make the calculation of leave in relation to the period of duty impossible, contributions on account of the leave salary of an officer who is lent to another Government and who is subject to the Local Government's revised leave rules, should be made at the rates laid down for foreign service contributions.

3. The liability of borrowing Government to pay contributions to the lending Government will cease when a Government servant is permanently transferred to the former the procedure to be followed in such cases will be as illustrated below:—

Suppose that a Government servant subject to the Revised Leave Rules, who has rendered 5 years service under Government "A" was, at first lent to Government "B" for two years and thereafter was permanently transferred to that Government. The payment of leave contribution to Government "A" by Government "B" will cease from the date on which the Government servant is permanently transferred to the latter Government but Government "A" will remain responsible for the leave salary of the Government servant in respect of "earned leave" at credit on the date of his permanent transfer to Government "B", i.e., "earned leave" up to such extent as can be granted to him under the revised leave rules. The Audit Officer of Government "A" should draw up a subsidiary leave account indicating therein the amount of "earned leave", leave salary for which should be borne by Government "A" and send it to the Audit Officer of Government "B". The latter should pass on the debit in regard to leave salary for "earned leave" up to the extent indicated in the subsidiary leave account as and when the Government servant in question takes that leave after permanent transfer to Government "B". The amount of "earned leave" in the subsidiary leave account should be exhausted first by the Government servant before any leave in respect of service on permanent transfer under Government "B" is taken by him. The leave salary in respect of any other kind of leave which may be taken by the Government servant after his permanent transfer to Government "B" under the leave rules of that Government will, however, be borne by that Government and the fact that the Government servant previously rendered some service under Government "A" should not affect the question as the grant of such leave has no necessary relation to the period of actual service under the latter Government.

4. I am to express the hope that the Local Government are agreeable to the adoption of the procedure indicated in paragraphs 2 and 3 above.

NOTE.—The Government of Bengal have come to an agreement with the under-noted Governments to observe the reciprocal arrangements outlined in paragraphs 2 and 3 of the letter from the Government of India in the Finance Department, No. D. 3861-F., dated 11th April 1935 (*vide* above), for the allocation of leave salary of Government servants who are subject to the revised leave rules recently introduced in the several provinces:—

- (3) Government of United Provinces.

NOTE (ii).—For the orders regulating the grant of a Compensatory Allowance during joining time at the conclusion of leave—see Rules 3 (2) and 5 published in this Department Notification No. 100, dated 18th November 1932.

B. (1) A Government servant who was on 31st December 1921 in receipt of Burma Allowance or who was on that date on leave or on deputation from a post or cadre in which he would have drawn such allowance shall be entitled, during the first four months of any period of leave on average pay, to draw the average Burma Allowance earned during the twelve complete months immediately preceding the month in which his leave begins.

(2) In any other case, subject in respect of Rangoon House Allowance to the provisions of sub-rule (3) below, a Compensatory Allowance may be drawn at not more than the rate previously admissible by a Government servant on leave on average pay, if the total period of leave taken does not exceed four months exclusive of any joining time admissible at its conclusion, provided:—

- (i) that the authority sanctioning the leave certifies that it is intended on the expiry of the leave to repost the Government servant to Burma, if the allowance is Burma Allowance claimed by a Government servant who was not entitled to it on 31st December 1921; to a specified post to which an allowance of the same kind is attached, if the allowance is a Messing or Uniform Allowance; to a station in which he will be entitled to a Special Locality Allowance, if the allowance is a Special Locality Allowance, to Rangoon, if the allowance is Rangoon House Allowance;
- (ii) that the Government servant certifies that he or his family or both resided, for the period for which the allowance is claimed in Burma, if the allowance is Burma Allowance; at the station from which he proceeded on leave or the station to which it is intended to post him on the expiry of his leave, if the allowance is a Special Locality Allowance;
- (iii) if the Allowance is Rangoon House Allowance, that the Government servant certifies either—
 - (a) that he or his family or both continued to reside in Rangoon for the period for which the allowance is claimed, or
 - (b) that (for reasons to be stated) he necessarily continued, for the period for which the allowance is claimed, to incur the whole or a considerable part of the expenditure on rent for which it was granted.

NOTE A.—When a Special Locality Allowance is claimed under proviso (ii) and different rates are in force at the two stations, the rate admissible is that in force at the old station, if the Government servant or his family or both resided there; otherwise it is the lower of the two rates.

NOTE B.—When a certificate is furnished under proviso (iii) the authority sanctioning the leave may direct that a part or the whole of the Rangoon House Allowance shall be withheld.

NOTE C.—For the purposes of this certificate any expenditure on rent which is covered by the receipts from a sub-lease shall be deemed not to have been incurred.

NOTE D.—The word “family” in this rule means the following persons, if residing with and wholly dependent on the Government servant, *viz.*, one wife (or husband) and children and step children, if legitimate.

(3) Notwithstanding the provisions of sub-rule (2), Rangoon House Allowance shall in no case be drawn on leave at a rate in excess of the amount, if any, by which such allowance drawn by the Government servant immediately prior to his departure on leave exceeds the amount of such allowance sanctioned to his successor, if any.

C. For the purpose of these rules a Government servant in receipt of one or more of the Compensatory Allowances specified in Rule 1 who with due authority prefixes or affixes an authorised period of vacation to leave on average pay is regarded during such period as being on leave on average pay.

AND WHEREAS it is provided by paragraph five of the said Schedule that any person appointed by His Majesty to act as a Governor shall, while he is so acting, be entitled, save as may be otherwise provided by His Majesty in Council, to the same allowances and privileges as that Governor:

Introductory.

1. This Order may be cited as "The Government of India (Governors' Allowances and Privileges) Order, 1936."

5. APPENDIX 29.

Compensatory and House Allowances.

The Government of India have had under consideration the question of granting compensatory allowances to officers of Central Departments under their administrative control who are stationed in expensive places. They consider that the stations where the cost of living is felt most severely are Madras, Bombay, Karachi, Calcutta and Rangoon and that relief is justified in the case of officers stationed at those places who are on a general scale of pay and are liable to transfer from one station to another. The same considerations do not apply to officers who are recruited locally for local service and whose rates of pay vary from station to station, are fixed with reference to local conditions and are not on the same scale throughout India. The Government of India have therefore decided to sanction the scale of allowances detailed below to officers belonging to services or holding appointments which are included in the schedule appended at the end of this Appendix.

COMPENSATORY ALLOWANCE FOR OFFICERS STATIONED IN BOMBAY, CALCUTTA AND RANGOON.

Pay.	Amount of Allowance.
	Rs.
Up to Rs. 499	75
Rs. 500 to Rs. 599	90
Rs. 600 to Rs. 799	105
Rs. 800 to Rs. 999	120
Rs. 1,000 to Rs. 1,499	135
Rs. 1,500 and upwards	150

HOUSE ALLOWANCE FOR OFFICERS STATIONED IN MADRAS, BOMBAY, KARACHI, CALCUTTA AND RANGOON.

1. (i) Where an officer is not provided with Government accommodation, and is privately paying rent for unfurnished accommodation exceeding 10 per cent. of his pay, an allowance will be granted equivalent to the amount by which the rent actually paid exceeds 10 per cent. of pay, subject to a limit of 5 per cent. of pay in Madras, 15 per cent. in Bombay, 10 per cent. in Karachi, 12½ per cent. in Calcutta and 10 per cent. in Rangoon.

(ii) Where furnished accommodation is engaged, the allowance shall be difference between rent actually paid and 12½ per cent. of pay up to the percentages mentioned in paragraph (i).

The sanction to the grant of these allowances takes effect from the 1st April 1924 and from that date existing Compensatory and House-rent allowances, if any, will cease to be admissible except to the extent mentioned in paragraph 2 (i).

NOTE.—(a) Both the Compensatory and House-rent allowances may be drawn by officers who hold appointment in Bombay but who actually reside in the suburbs.

(b) Both the Compensatory and House-rent allowances may be drawn by officers who hold appointments in Calcutta and who actually reside in Howrah or any part of Calcutta including Alipore, Ballygunge and Sealdah.

(c) The House-rent allowance only may be drawn by officers who hold appointments in Calcutta, but who actually reside at Barrackpore, Dum-Dum or Serampore.

(d) Officers posted to the headquarters of the 24-Parganas and Howrah will be treated in the same way as officers holding appointments in Calcutta.

(G. I., F. D., Resn. No. F. 226-C. S. R., dated 11th June 1925.)

The grant of the House-rent allowance will be subject to the following ions:—

- (i) An officer who is now entitled to an allowance under Calcutta, Bombay or Rangoon House Allowance Scheme will be permitted to remain under that scheme until his next transfer or until he proceeds on leave of not less than three months' duration.

TE.—The word "now" refers to the date of the issue of the Resolution, 10th October 1924.

- (ii) The scale of accommodation occupied must be approved by the Head of the Department and if the officer is himself the Head of the Department, by the Government of India.

The Head of the Department, he officer himself is the Head of the Department, the Government of India stermine the amount to be taken as the rent paid in each case on the above

(G. I., F. D., No. F. 21-XIV-C. S. R./25, dated 29th August 1925.)

APPENDIX 29.

3. An officer resident in a hotel or boarding house is eligible for the allowance, subject to the condition that the Head of the Department, or if the officer is himself the Head of the Department, the Government of India will determine what proportion of the charge paid should be allocated to rent. Decision on this point will be based on a consideration of the accommodation occupied and the comparative cost of similar accommodation elsewhere.

(F. D. No. D. 5067-C. S. R., dated 10th October 1924.)

4. An Officer who is at present stationed in Rangoon and is already drawing the Rangoon Compensatory allowance on the existing scale will continue to draw it in lieu of the allowances for Rangoon prescribed in the Government of India, Finance Department, Resolution No. D./5067-C. S. R., dated 10th October 1924, until his next transfer or until he proceeds on leave of 3 months or more.

Existing orders regarding Burma Allowance will have continued force for officers of the Central Department serving in Burma to whom the Resolution applies, beyond 28th February 1930 until further orders. Accordingly an officer entitled under those orders to Burma Allowance may, when stationed in Rangoon, draw it in addition to the allowances for Rangoon, admissible under this Resolution. The orders contained in Finance Department Resolution, No. F. 8-IV-R. I./28, dated 12th June 1928, are superseded by these orders.

(G. I., F. D., Resn. No. F. 8-X-R. I./29, dated 14th September 1929, Dy. G. A. 10219 as subsequently amended by G. I., F. D., memo. No. F. 8-R. I./29, dated 11th March 1930. Case G. A. 463/28-30.)

SUNDRY ORDERS.

1. The word "Pay" should be interpreted as defined in paragraph 9 (21) of the Fundamental Rules.

(G. I., F. D., No. D. 5902-C. S. R., dated 25th November 1924.)

2. For the purpose of calculating the house-rent payable by Government the term "pay" occurring in paragraph (i) of the Resolution, Government of India, Finance Department, No. 5067-C. S. R., dated 10th October 1924, means pay and not emoluments.

[Ar. Gl.'s No. 5604-E. 1106-23, dated 22nd December 1924 (A. D. G. 1051).]

3. In the case of an officer subject to rules in the Civil Service Regulations, the compensatory and house-rent allowances should be calculated on pay *plus* duty allowance.

(G. I., F. D., No. F. 226-C. S. R./24, dated 30th June 1925.)

4. An officer who is at present stationed in Bombay or Calcutta and is already drawing a compensatory allowance may continue to draw the allowance until his next transfer or until he proceeds on leave of three months or more. The same concession may be allowed in respect of house allowance to officers stationed in any of the places mentioned in the Resolution who are already in receipt of such an allowance and whose case is not covered by paragraph 2 (i) of the Resolution.

(G. I., F. D., No. F. 226-C. S. R., dated 2nd December 1924.)

5. The compensatory and house-rent allowances granted to compensate for the expensiveness of living do not involve the withdrawal of compensatory allowances given on other considerations.

(G. I., F. D., No. F. 226-C. S. R., dated 12th February 1925.)

6. The clause "of not less than 3 months' duration" in paragraph 2 (i) qualifies "leave" only and that "transfer" means transfer to another station and not to another post in the same station.

(G. I., F. D., No. F. 28-IX-F. E., dated 22nd June 1925.)

7. The principles governing the distribution of leave salaries between different Governments and Departments are inapplicable to compensatory allowance (including house-rent allowance) as this allowance is not earned by service. It is

APPENDIX 29.

essentially a liability of the Department to which the Government servant is attached for the time being and should be borne by that Department.

(Ar. Gl.'s No. T. 377/173-Ac. 25, dated 12th June 1925.)

8. For the purpose of Finance Department Resolution No. D. 5067-C. S. R., dated 10th October 1924, rent should be taken to be the amount actually paid by the tenant, less taxes payable by the occupier when these are actually paid by the landlord.

(G. I., F. D., No. F. 21-XVI-C. S. R./25, dated 13th January 1926.)

The occupiers' taxes as used in the Government of India, Finance Department, G. I., F. D., No. F. 21-XVI-C. S. R./25, dated 13th January 1926, refer to taxes for specific services, irrespective of the fact whether those taxes are paid by the occupier directly, that is to say, as a separate charge, or covered by a consolidated rate charged by the landlord. The amount of such taxes to be reimbursed by Government should be determined in the manner prescribed in the Auditor General's letter No. 758-Admn./562-25, dated 30th July 1926 (*vide* paragraph 19 under "Sundry Orders").

Ar. Gl.'s No. T. 771-Admn. II/150-34, dated 26th July 1924. Case G. B. 28-54/33-35.)

9. The Government of India have decided that as a Government servant is able to pay rent up to 10 per cent. of his emoluments and also any excess over the percentages fixed in paragraph 1 (1) of the Resolution referred to, the occupier's tax should also be paid by him on the same scale, that is, the occupier's tax proportionate to the amount of rent reimbursed to the Government servant by Government will be borne by Government and the balance of the tax should be paid by the officer.

(F. D. No. F. 242-C. S. R./26, dated 11th August 1926.)

9-A. The term "rent" used in Government of India, Finance Department, Resolution No. 5067-C. S. R., dated 10th October 1924, does not include rent paid on account of furniture hired from a separate party.

G. I., F. D., Special duty No. D. 2106/1400, dated 10th August 1922, Dy. G. O. I. 1890.)

10. The proportionate relief in respect of Municipal Tax is payable to an officer irrespective of the limit of 12½ per cent. of pay.

Ar. Gl.'s. No. 80-A./44-27, dated 25th February 1927, to the Examiner of Customs.)

11. House-rent should not be assessed on the allowance paid to holders of the Order of British India.

(Ar. Genl.'s. No. 17-A./388-25, dated 19th January 1926.)

12. The drawal during leave of the compensatory and house-rent allowances should be regulated by Supplementary Rules 6 and 7 respectively.

G. I., F. D., No. F. 226-C. S. R./24, dated 2nd March 1925, Audit Instruction Circular No. 25, dated 16th April 1925.)

13. (a) The Controller of the Currency is authorised to sanction the grant of house-rent allowance under paragraphs 2 and 3 to the Mint Masters.

(F. D. No. D. 1124-F. E., dated 29th April 1925, Dy. A. G. B. G. I. 180.)

(b) The Accountant General exercises the powers of the Head of a Department in respect of all Gazetted Officers attached to his office or serving under him for the purpose of approval of the scale of their accommodation.

Ar. Gl.'s No. T. 1215-G. B. E./365-31, dated 29th September 1931, Case G. B. 1359/29-32.)

14. The term "accommodation" in paragraph 2 (ii) means the main house and remises rented by an officer and not any additional accommodation such as a garage or servants' quarters, which may be rented elsewhere. Similarly in paragraph 3, the term "accommodation" includes a garage only when it is provided

APPENDIX 29.

for in the hotel or boarding house where the officer resides, even though a separate charge may be made on that account.

(G. I., F. D., No. F. 21-XIV-C. S. R./25, dated 29th August 1925.)

As an officer's family is deemed to include his wife, dependants and servants the term "accommodation" used in paragraph 3 of the Resolution should include "garage" and "servant's quarters" provided they form part of the main house or premises rented.

(C. O. A.'s letter No. 399-G. B. E./29/29, dated 1st February 1930, Case G. A. 55/27-30.)

15. Doubts have been expressed as to the exact intentions of the orders conveyed in the Resolution mentioned above, on certain points and the Government of India are pleased to rule—

- (i) That the house allowance rules do not apply to an officer who is entitled to free quarters or to House-rent allowance in lieu of free quarters.
- (ii) That the compensatory allowance is admissible to all persons qualified irrespective of any concessions they may be enjoying in the matter of house allowance or accommodation.
- (iii) That the option of remaining under existing house allowance rules or orders may be extended to persons other than those entitled to the benefits of the Presidency House Allowance Schemes but subject to the same conditions, *viz.*, that an officer will only be permitted to remain under the old rules or orders until his next transfer or until he proceeds on leave of not less than 3 months' duration.

(F. D. No. F. 226-C. S. R./24, dated 29th December 1924.)

16. Of the local allowance of Rs. 100 drawn by Assistant Accounts Officers stationed in Calcutta, Rs. 70 represents the portion granted in respect of house-rent, and that this amount may be treated as a house-rent allowance and drawn by Assistant Accounts Officers in addition to the compensatory allowance admissible to them under the rules in Finance Department Resolution No. D. 5037-C. S. R., dated 10th October 1924.

(F. D. No. F. 28-F. E., dated 18th April 1925.)

17. The term scale of accommodation does not mean merely the number of rooms in a house but includes other items such as site, locality, general amenities and rent. When an officer changes his residence, one or more of the items which go to make up the scale of accommodation is invariably affected and it is accordingly necessary to obtain a fresh certificate from the Head of the Department under the Rule in paragraph 2.

(F. D. No. F. 35-V-C. S. R./26, dated 11th May 1926.)

18. (i) The house allowance rules do not apply to an officer who is entitled to free quarters or to house-rent allowance in lieu of free quarters.

(ii) That the compensatory allowance is admissible to all persons qualified irrespective of any concessions they may be enjoying in the matter of house allowance or accommodation.

(iii) That the option of remaining under existing house allowance rules or orders may be extended to persons other than those entitled to the benefits of the Presidency House Allowance Scheme, but subject to the same conditions, *viz.*, that an officer will only be permitted to remain under the old rules or orders until his next transfer or until he proceeds on leave of not less than 3 months' duration.

(G. I., F. D., Endt. No. F. 226-C. S. R., dated 29th December 1924, G. I. 3759.)

19. The following procedure should be followed in calculating the share of the taxes payable by the occupier under the municipal law but actually paid by the landlord to the Municipality and included in the rent charged by him to the tenant:—

- (i) When the officer's residence is a unit of Municipal assessment, the tax payable by the occupier will be the same as that entered in the tax bill of the Municipality irrespective of any differences between the rent paid and the rent on which the assessment is made.

APPENDIX 29.

- (ii) When the residence is part of a unit of assessment, e.g., a flat in a building of 3 flats, and the landlord is prepared to furnish the necessary information, the tax will be the same proportion of the total tax, as the rent of the flat bears to the total of the rents of the three flats, i.e., the entire buildings.
- (iii) When the residence is a part of a unit of assessment and the landlord is not willing to furnish the necessary information or when the residence is a small portion of a unit of assessment, e.g., a suite of rooms in a big hotel the rent paid shall be treated as including the *pro rata* tax and the occupier's share of the tax shall be worked out as follows:—

If X per cent. be the rate of the occupier's tax, R be the rent paid by the occupant inclusive of the tax, the occupier's tax will be equal to $\frac{R \times X}{100 + X}$.

(Ar. Gl.'s. No. 756-Admn. 562-25, dated 30th July 1926, to the A. G. B.)

As regards the question to what extent an officer is entitled to relief in respect of occupier's tax the Auditor General has decided that the occupier's tax proportionate to the amount of rent reimbursed to the officer by Government will be borne by Government, the rest of the tax being paid by the officer himself.

(Ar. Gl.'s. No. 756-Admn. 562-25, dated 30th July 1926, Dy. India 1552.)

Formula (iii) refers to rule of unfurnished accommodation but (iv) when the residence is a part of a unit of assessment and a furnished one and the rent represents the rent of furnished accommodation but does not include boarding charges, etc., e.g., furnished rooms in an Hotel where it is difficult to apply rule (iii) unless the Manager of the Hotel can state even approximately what part of the rent fixed by the occupier represents rent alone of unfurnished quarters. It has been decided in such cases to deduct 2½ per cent. of the officer's pay as the hire of furniture, etc., and to calculate the occupier's share of Municipal Tax on the balance as rent of unfurnished accommodation.

(Vide Ar. Gl.'s letter No. 789-Admn./K. W. 562-25, dated 4th June 1927, Dy. India 1280.)

To arrive at "R" (which represents rent of unfurnished accommodation) a deduction of 2½ per cent. of the officer's pay may be made from the rent paid by him for furnished accommodation.

(Ar. Gl.'s No. 790-Admn./K. W. 562-25, dated 4th June 1927.)

20. (i) Officers who went on leave of not less than 3 months' duration and returned to duty before 10th October 1924 or who proceeded on leave before 10th October 1924 but returned to duty after that date were entitled to the benefits of the Calcutta House Allowance Scheme on the 10th October 1924 within the meaning of paragraph 2 (i) of Finance Department Resolution No. D. 5067-C. S. R. and they are eligible to remain under that scheme subject to the other conditions in that paragraph.

(ii) Officers appointed to officiate in posts between 1st April 1924 and 10th October 1924 which entitle them to house-rent allowance under the Calcutta House Allowance Scheme and who were holding such posts on the latter date were entitled to house-rent allowance under the above scheme on the 10th October 1924 and are eligible to remain under the scheme until their transfer or departure on leave of not less than 3 months' duration, provided they continue to officiate without interruption after 10th October 1924.

(iii) Officers who held appointments between 1st April 1924 and 10th October 1924, entitling them to house-rent allowance, will retain the house-rent allowance drawn by them under the old rules for the periods during which they officiated in such posts, but when subsequently re-appointed to officiate in such posts on or after 10th October 1924 they will be governed by the new rules.

(G. I., F. D., No. F. 262-C. S. R./26, dated 28th August 1926, Dy. India 2939, dated 18th November 1926.)

APPENDIX 29.

21. The intention of paragraph 2 (iii) of the Government of India, Finance Department, Resolution No. F. 226-C. S. R., dated 29th December 1924, *vide* Note 16 was to extend to officer drawing house allowance under rules or orders other than the Presidency House Allowance Schemes, the option of remaining under those rules or orders until they were transferred or until they proceeded on leave of not less than three months' duration, instead of coming at once for purposes of house allowance, under the orders in the Government of India, Financial Department, Resolution No. D. 5067-C. S. R., dated 10th October 1924. The position of such officers is in no way affected by the Calcutta House Allowance Scheme old or new.

The Assistant Accounts Officers are thus entitled to the compensatory allowance admissible under the Government of India, Finance Department, Resolution, dated 10th October 1924, and until they are transferred or proceed on leave of not less than three months' duration, they will continue to draw the house allowance of Rs. 70 a month sanctioned in Government of India, Finance Department, letter No. F. 28-F. E., dated 18th April 1925, when any one of them is transferred or goes on leave of not less than three months, his case will be governed for purposes of both compensatory and house allowances by the Resolution, dated 10th October 1924.

(G. I., F. D., Endt. No. F. 21-III-F. E., dated 10th May 1927, Dy. G. A. 1715, dated 17th May 1927.)

22. An officer of the Indian Audit and Accounts Service posted to a temporary post at Calcutta and other qualifying places may be admitted to the compensatory and house allowances under the Government of India, Finance Department, Resolution No. D. 5067-C. S. R., dated 10th October 1924, provided the officer draws in the temporary post the same rate of pay as he drew in the regular line before transfer. But where the transfer involves a change in the rate of pay those allowances cannot be admitted in the absence of special orders to the contrary.

(A. G., C. R., u-o. No. 194, dated 7th May 1926; G. I., F. D., No. 2992-C. S. R., dated 11th June 1926; A. G., C. R., u-o. No. 635, dated 22nd July 1926; G. I., F. D., No. 4099-C. S. R., dated 3rd August 1926; and A. G., C. R., u-o. No. 874, dated 7th August 1926.)

23. The Government of India have decided that the compensatory allowances sanctioned by the Government of India, Finance Department, in Resolution No. D. 5067/C. S. R., dated 10th April 1924, is admissible to a Government servant deputed on temporary duty outside the cadre both,

(1) when he continues to draw in the temporary post, the same rate of pay which he was drawing in a cadre post immediately before; and

(2) when he draws, in a temporary post, the pay to which he would be entitled by his substantive position in the cadre.

(A. G., C. R., u/o. No. G. A. 104, dated 28th April 1930, and Ar. Gl.'s u/o. No. 2377-G. B. E. 8-30, dated 4th July 1930, Case No. G. A. 772-1 of 1926-30.)

24. The concession granted in paragraph 2 (i) of the Government of India, Finance Department, Resolution No. D. 5067-C. S. R., dated 10th October 1924, is applicable to those officers only who were drawing the old allowance (under the Calcutta, Bombay or Rangoon House Allowance Scheme) on 10th October 1924.

(Ar. Gl.'s letter No. 4006-T. 901/25, dated 30th September 1925, Dy. A. D. G./6847, G. A. 1-4724.)

25. The allowance sanctioned in Government of India, Finance Department, No. F./28-F. E., dated 18th April 1925, should have effect from 1st April 1924, *i.e.*, the date from which the compensatory allowances have been sanctioned in Government of India, Finance Department, Resolution No. D. 5067-C. S. R., dated 10th October 1924.

(Ar. Gl.'s letter No. 2523-E. 1106-24, Part II, dated 8th June 1925, Dy. G. A. I./2018, A. D. G./290.)

26. The Government of India concur in the view that the clause of not less than 3 months' duration in paragraph 2 (i) of the Finance Department Resolution No.

APPENDIX 29.

D. 5067-C. S. R., dated 10th October 1924, qualifies leave only and the "transfer" means transfer to another station and not to another post in the same station.

The Government of India do not, however, agree what it follows from this interpretation that those men who were officiating as Assistant Accounts Officers on 10th October 1924, would be entitled to remain under the old house allowance scheme even if they revert after that date for periods in excess of 3 months, provided they do not proceed on leave of not less than 3 months' duration.

The question of transfer, as defined in Supplementary Rule 18 (2) does not arise and the Government of India consider that an officer who was officiating as Assistant Accounts Officer on 10th October 1924 and who was reappointed after reversion of more than three months (or any other period) should be treated as promoted to Assistant Accounts Officer after 10th October 1924 and be brought under the new scheme without any option of remaining under the old rules or orders.

(G. I., F. D., No. F. 28-IX-F. E., dated 22nd June 1925, Dy. G. I./1034.)

27. The compensatory and house allowances sanctioned in the Government of India, Finance Department, Resolution No. D. 5067-C. S. R., dated 10th October 1924, are admissible to all Heads of Departments and officers of lower rank (including those in local Traffic and Engineering Services) serving on the East Indian Railway whose headquarters are at Calcutta, Howrah or Lillooah, except when holding temporary posts.

(R. B. No. 1308-E. 23-IV, dated 9th May 1925, Ar. Gl.'s No. 3899-E./567-25, dated 18th September 1925, Dy. A. D. G./641, G. A. I./4517.)

28. The officers of the Audit Department of the East Indian Railway are entitled with effect from 1st January 1925 to the concession of the compensatory and house allowances sanctioned by the Railway Board in their letter No. 1308-E. 23/IV, dated 9th May 1925, for other officers of the East Indian Railway stationed in Calcutta.

(G. I., F. D., No. F. 28/XI/F. E., dated 9th September 1925, Dy. G. I./1993, G. A. I./4401.)

29. In the case of an officer, residing in his own house the rental value of the house (as ascertained from its assessed value for municipal purposes or otherwise) should be taken as the rent paid by him for private accommodation for the purpose of clause (1) of paragraph 1 of Finance Department Resolution No. D. 5067-C. S. R., dated 10th October 1924. The Head of the Department or if the officer is himself the Head of the Department, the Government of India, will determine the amount to be taken as the rent paid in each case on the above basis. (See Note 4.)

(G. I., F. D., No. F. 21-XIV-C. S. R./25, dated 29th August 1925, Dy. G. A. I./4128 G. I./1857.)

DISCONTINUANCE OF THE GRANT OF COMPENSATORY ALLOWANCE TO OFFICERS AT BOMBAY AND CALCUTTA.

30. The Governor General in Council has reviewed, in the light of the circumstances now prevailing, the scheme of compensatory and house-rent allowances sanctioned in the Government of India, Finance Department, Resolution No. D. 5067-C. S. R., dated the 10th October 1924, and has decided that while the house-rent allowance admissible at Madras, Bombay, Karachi and Calcutta should be continued at the rates and conditions specified in the resolution, as subsequently amended, the compensatory allowance drawn at Bombay and Calcutta should be abolished with effect from the 1st May 1937. An officer who is at present entitled to the latter allowance will, however, be permitted to continue to draw it—

(a) till the 31st March 1938, or

(b) until he is next transferred (otherwise than on temporary transfer) or proceeds on leave exceeding four months, whichever is earlier.

The grant of the allowance during "temporary transfer" and leave not exceeding four months will, in the meantime be governed by Supplementary Rule 6-B.

(G. I., F. D., Resn. No. F. 2-XXVI/Ex-II/36, dated 8th April 1937, Dy. India 317/G. A. IV-291 and F. D. Notifn., dated 30th April 1937, bearing the same number, Dy. India 478/G. A. IV-472-A.)

NOTE.—Officers who joined, after the 8th April but before the 1st of May 1937, posts in Bombay and Calcutta, to which the compensatory allowance was attached, will be entitled to draw it subject to the conditions mentioned above.

APPENDIX 30.

Rules regarding Chatham Course of Royal Engineer Officers..

REGULATIONS UNDER WHICH ENGINEER OFFICERS SERVING IN INDIA ARE APPOINTED TO THE INDIAN CLASS AT THE SCHOOL OF MILITARY ENGINEERING, CHATHAM.

1. Every officer of Royal Engineers below the rank of Lieutenant-Colonel, who has not given notice of his intention to revert to Imperial Service (see next paragraph), will be required, as soon as may be convenient after he has completed 10 years' Indian Service, to join the School of Military Engineering at Chatham, so that he may become acquainted with the progress made in military science and engineering.

2. The number of such officers who will be appointed to the School of Military Engineering in any one year will not exceed 15. They will be selected by the Government of India. Every officer who has attended this course will be expected to complete a further period of three years' Indian service before reverting to the Imperial establishment.

3. The course of instruction will last about six months commencing on or about the 30th of March, divided into two periods which will be devoted to obligatory and to special and optional subjects, and will be arranged in accordance with the Syllabus shown in paragraph 4. Officers belonging to the Survey of India Department will not be required to join at Chatham before the 1st May.

4. The courses of instruction will be as follows:—

<i>Obligatory—</i>	Days.
Survey and Lithography	21
Electricity	21
Field fortification	14
Construction	21
Military Training	14
* Workshops	14
TOTAL .	105

Special—

Study of special subjects by the Government of India, or by the Heads of Departments or services to which the officers concerned belong	30
Study of any special subject selected by the Government of India, and (if required) report thereon	45
TOTAL .	75

Optional—

If the 75 days allotted for the special subjects are more than necessary in any individual case, the officer concerned may take up an additional optional subject, selected by himself, for the balance of the 75 days.

5. Survey officers who do not attend the survey and lithography and electricity courses will be instructed in these or other optional subjects for an equal period at

* The workshops course will, if possible, be carried out in H. M. Dockyard, Chatham, under the instructions of Admiral Superintendent, with whom the necessary arrangements will be made by the Commandant, S. M. E.

the close of the special course. In the case of officers serving in the Public Works Department the construction course may be omitted, a course selected by the officer being substituted. The short course of military training is intended to be a refreshing course only; it is not intended for preparation for passing promotion examinations. The Commandant may vary the length of the course in each subject of the obligatory course to suit the requirements of each class, and may vary the length of the special courses to meet the requirements of each officer.

6. The number of days allotted for the various courses are inclusive of Sundays, but exclusive of Easter leave (five days). The Commandant may also give casual leave up to a limit of 14 days; during the obligatory courses not more than two days' leave at a time should be granted.

7. (a) Selected officers of each class will be called upon to furnish reports, during the period of the special courses regarding the latest instances in European engineering practice in the particular subjects with which they are best acquainted, and special facilities will accordingly be afforded to them for visiting works, manufacturing, etc. The subjects of these reports will be selected by the Government of India. The allotment of subjects however will be made by the Commandant of the School of Military Engineering, Chatham.

(b) During the period allowed for the preparation of the reports the selected officers may reside elsewhere than at Chatham, provided the distances to be covered by railway warrants are not thereby increased. They may draw allowances as in paragraph 13 (iii), and will be given railway warrants enabling them to visit works, etc., from their places of residence.

(c) If the subject selected for a special course or for report is outside the scope of the School of Military Engineering, the officer concerned may, under arrangements to be made by the India office, be detached to the School or Institution which deals with that subject, or to the station presenting the best facilities for the purpose of instruction or investigation. When so detached he may draw allowances as in paragraph 13 (iii), and will be given railway warrants enabling him to visit works, etc., from his station. He will also be entitled to field allowances under War Office regulations when authorised to attend manoeuvres in connection with his special course.

(d) In order that the reports on special subjects may reach India as expeditiously as possible, they should be handed in to the Commandant, School of Military Engineering, within the period of 45 days allotted for the study of the subjects and preparation of the reports, and sent by him direct to the India office for transmission to India.

(e) No reports will be required on the special subject for which the period of 30 days is allotted, but they will be so chosen that the experience gained will, upon the return of the officers to India, be of use to the services to which they belong.

8. At the end of the course each officer will be specially reported on by the Commandant.

9. An officer serving in India who is appointed to the course will, unless leave is specially granted to him, be regarded as being on military duty from the date of quitting his station to the date of his return to his permanent appointment in India. The whole period passed on duty will reckon as service for Indian pension and furlough, but not for privilege leave, though it will not interrupt privilege leave already earned. In the case of an officer who is appointed to the School while on leave, the period of duty will commence from the date on which he joins the School at Chatham.

10. An officer who is not in civil employ may, on obtaining the assent of the proper authority in India, be granted leave on the termination of the course of instruction, or if on leave when appointed, be allowed to avail himself of any unexpired portion of that leave.

Privilege leave may be taken either—

(a) between the date of giving over charge in India and joining at Chatham, or

(b) between the date of leaving Chatham and embarking in England for India.

APPENDIX 30.

An officer in civil employ will not be allowed leave at the completion of the course; except casual leave pending arrangements being made for his passage to India.

1. On return to India all officers in civil employ will be posted for four months practical military training to either the Military Works Services of the Sappers and Miners, or the Indian Submarine Mining Corps, as may be decided by the Commander-in-Chief, during which time they will receive the pay and allowances of Royal Engineer officers of corresponding rank in similar military employ. The return of an officer to his civil employment at the conclusion of this period will be contingent on his satisfying the Commander-in-Chief with regard to his military efficiency.

2. An officer who is appointed to attend the course will receive free passage, travelling allowance in lieu, under the Indian and War Office Regulations, from station to Chatham and back as follows:—

If in India and on duty when appointed, and if returning to India immediately after the completion of the course, without an intervening period of leave other than casual leave.	Free passage by land and by sea.
